Thread: [\[TuT\] Sharingan Eye Manipulation\[TuT\]](#)

Sejskaler - February 1, 2012, 9:45 am

Well, since the Reverence closed, I found no reason to keep it anymore.

This tutorial were written for the "super tut" project, I will release it now, since I guess it won't get released, if I do not do it...

Wow! The eye looks very beautiful & a bit scary tool. xD

Great tutorial broh! :D

The positioning is awful, It's suppose to be an even space between the 3 bit's in the eye

Cool tutorial, and at the bottom, you spelled it "Reverance", when it is "Reverence". ;]
