Lantec - February 3, 2012, 3:30 pm

I would like to receive the money because I can use it to contribute to HF, I can upgrade some members in a contest, or give away some accounts. I know this is not the best application but I will love to get the money, and will only spend it on HF.

Thanks in advance mate, I really appreciate it.

Goodluck to all members who are in the contest.

Kind Regards, Guus.

Uzi? - February 3, 2012, 3:38 pm

Why I believe I should win 20 dollars;

- I believe I should win this contest because I'm very low on cash, I'm not going to draw attention, nor make an attempt for sympathy like many users have done on previous contests. I rarely request payments for doing graphical designs for users, I've done at least over 1,000 designs for numerous requesters. Also, I have a website right now, and this website is currently running on a '.com' domain, it's about to expire in a month or two. I would like to have the additional cash to pay for an updated domain, I was considering changing to '.net', and having \$20.00 would be great. Also, if I were to use it differently, I would probably save it, rather than squandering it away on useless garbage. I can't say I'm going to use this cash to pay for my website's hosting, I'm a member of Eminence and I get free offshore hosting, but just in-case, I'd like to have the \$20.00 as a precaution to make sure if the hosting service WiFi is providing us is taken down or for any other reason I cannot use the hosting on my website, the twenty dollars would be put towards finding another hosting package.

I guess that is my main reasoning being me wanting this cash. If you are in need of my PayPal email then I will send you a private message including it. Nonetheless, good luck to all other participants in this contest, and I hope if someone else wins this cash then it's put into good use.

Thank you for your generosity. Take care, best regards. ?

-Uzi.

I really think I should deserve \$20.00. I am always active and stay up to HQ. You may be thinking negative about me by looking at my rep but I received a rep fuck for a valid reason. And I am already catching up :D I really need a web portfolio, thought it might be very useful indeed for a Graphics Artist like me. Well thanks for hosting this contest mate, really appreciate it. Really need the money, well good luck to all ?

Awesomeslayerg - February 3, 2012, 3:56 pm

Opulence - February 3, 2012, 4:04 pm

I'm going to keep it simple, I would like to receive this to further fund me a MSDN Admin account. If I do win this, there will be some free software given ?

Killuminatii - February 3, 2012, 4:45 pm

I would use the money to buy a crypter or to buy a booter.

Hope I win ?

The GRim - February 3, 2012, 4:48 pm

I will take this money because more 400\$+ is in PP hold & i am really in a big loss.

Also i will never forget you if you gimme this money xD.

+Reckless - February 3, 2012, 5:02 pm

I think I should get this money because my pay pal got limited with \$300 and I would like to buy a vcc to un-limit it. I have to pay for my website and game hosting too.

Akrasiel214 - February 3, 2012, 5:13 pm

i need money because i want to have a gift for my dad and the other ill donate to the charity.

SIM-985864 - February 3, 2012, 5:16 pm

I think i should get this because: Well to be honest i really think if people are in more need of it then they should have it. And another thing is i don't really need all the \$20 i was just looking for \$15 so i can get L33T. Anyways, What i would do is purchase L33T, I usually wasn't looking into getting L33T, but now i realize the importance. I can get more PM's which is really helpful to me and the people that want to send me a message when my Inbox is full. Also the editing after 48 hours or so helps alot since i do alot of sales threads and i am looking into making longer contests instead of ones that only last like 1 day. Also being able to give rep to users to show that they are legit or to warn other members of the community to be cation when dealing with them. Thanks alot for reading this and considering me!!! Also please remember if more people are in need of the money please give it to them instead as L33T may not be as important as what other members want.

MrFilthMonster - February 3, 2012, 5:16 pm

I believe i should win because i enjoy masturbation.

Jash - February 3, 2012, 5:57 pm

Donating to my sister's cancer funding might be a good idea.

Guys, I feel like counting on you if you ever get a sudden realization as you see the below image, inspite of your personal needs.; 4th of Feb is World's Cancer Day.

Anyny0 - February 3, 2012, 6:29 pm

I think that I should get the money for few reasons: I am not really in need of money but my financial status isn't the best, the money would be split between my trip and charity this way.

- 50% to charity, I'll record it ^^ (10\$)

- 50% to fund my school trip to paris-barcelone in 2013, the trip's total cost is about 2000\$ and I need to gather it as soon as I can. (10\$)

This is a good way of using this money as charity will get benefits and I'll think about you in my trip next year!

?rtificial - February 3, 2012, 6:32 pm

I really don't know why I would deserve this more than anyone else because I could say I help around the forums, but so does everyone else.

I am going to spend it on getting a host, a domain, and donate to MyBBCentral to get subscriber.

Lolarne - February 3, 2012, 7:15 pm

I think i should win it because its my sisters birthday next week and i never buy her anything on her birthday. Maybe its time for a change? :)

Rominiust - February 3, 2012, 7:27 pm

I'm not gonna lie, I'll spend it on porn. But hey, at least I tell the truth.

DrecliN - February 3, 2012, 11:24 pm

I believe I should win because I just got into a a car accident in my school parking lot. I was going around the corner, it was snowy out and the guy ripped the corner and his ABS brakes kicked in. I continued to go as he clipped my front end of my 2004 Volks Wagon GLI, he chipped the whole front end and since it's an imported car it costs 1300\$ to fix. I'm a student, with a job, and I can barely make enough by the summer.

I just want to fix my car, thanks for the read.

Neal Caffrey - February 3, 2012, 11:30 pm

I'm not going to lie like half the others are.

I'm probably going to spend it on L33T, and then maybe run a small giveaway with the dollar thats left :P

Perfect_Soul - February 3, 2012, 11:36 pm

I want you to upgrade me to L33T and for remaining money keep it to yourself :)

Profit ??

Vulcan™ - February 3, 2012, 11:44 pm

I'd like the 20 dollars because I am currently in the process of making a website.And unfortunately I don't have enough funds to pay for the hosting.

It would be very nice if you would give it to me.And for your information the profits earned through the site will go to hold an upgrade contest here on HF.

Thank you.
