Really? Members refereed: 0. You not exploiting the website skid you just holding it offline any kid can use a booter. skiddy MOD needs to move this thread to [Botnets and Botting](#) and stop deleting posts.

NetworkTrojan - February 4, 2012, 8:15 pm

It says not not post unless it was useful and why do you think your comments were removed? your are flaming and the reason this thread is still here I did nothing wrong.

Im not flaming im trying to tell you DDoSing is not hacking.

NetworkTrojan - February 4, 2012, 8:18 pm

No you were talking crap to me and this post does not need to be moved.It would of been moved already can you just do what I asked not to worry about this post?? I put in the title [Only post if I helped you!]

ichi - February 4, 2012, 9:11 pm

Yeah, this thread doesn't belong in "website and forum hacking". DDoSing is in no way hacking, not trying to flame..just informing you.

Needs to be in like bots, botnets, and zombie section.
