Thread: [\[400\\$/month\] Exclusive Survey Exchange Group \[2\\$/survey\]\[Hot\]](#)

greatiq - February 5, 2012, 2:03 am

Hey HF i was working on 1-2 groups before but got kinda boored of exchanging with same group. So decided to make a new group which will be exclusive from my point of view coz i found a new trick to get 2-3\$ per survey u complete in \$harecash, f!leice and others and i'm going to share this method only to this group and believe me this method is 100% working. so y wait just read the requirements and make a post.
