Thread: [New Ub3r Feature - Reps Given](#)

Omniscient - December 29, 2009, 5:51 pm

Now ub3r has the ability to see all the reputations another member has given out.

To view go to a profile and near reputation you'll see a [Given] link. There you'll go to their repsgiven page which is self explanatory.

This feature is for ub3r and staff only.

Enjoy and if you see a bug please let me know.

theboner - December 29, 2009, 5:52 pm

Nice feature thanks for continually adding things.

Widow's Peak - December 29, 2009, 5:52 pm

Thanks Omni. I like the new feature

Cumni_I_Love_You - December 29, 2009, 5:52 pm

Thank you. It is nice.

MAJOR LAZER - December 29, 2009, 5:52 pm

I think this can stop some of the abuse, good work.

Jamz - December 29, 2009, 5:53 pm

Damn, I thought I just got my 1337 activated

Sam Fisher - December 29, 2009, 5:54 pm

Awesome feature, feels great to be an Ub3r lol. Thanks Omni :)

m4tth3vv - December 29, 2009, 5:54 pm

This looks awesome. I can't wait for my l33t (and the ub3r I'll get shortly after).

Omniscient - December 29, 2009, 5:55 pm

It's meant more as a tool for staff so we can view rep abusers but it's a nice feature imho for ub3r. Unfortunately mybb has very poor tools relating to reps and it's part of why this is such a problem here.

There are no tools to bulk delete anyones reps or even view what a person has given out in the admincp. It's so damn basic. They spent all this effort into the calendar which is nearly useless and overlooked the reps. Even the warning system could be improved over the calendar.

507 - December 29, 2009, 5:55 pm

Saved me making this :P

phpBB3 - December 29, 2009, 5:55 pm

[Australian_accent] Crikey! That sounds exciting! [/australian_accent]

Kewlhotrod - December 29, 2009, 5:58 pm

Awesome addition. I've been wondering how many reps I've actually given.

Only 19. :)

Joey K - December 29, 2009, 5:59 pm

Cool feature Omni. :D

@TRRS: I'll buy your account for 1 cent, deal? :D

SimplyIgnored - December 29, 2009, 7:25 pm

Already found a user who likes to hand out stupid -reps.

Uncle Joe - December 29, 2009, 8:09 pm

good idea
although does it really have a purpose?

Omniscient - December 29, 2009, 8:11 pm

As stated. This was setup for staff to view the reps given by a member so we can view patterns of abuse easier. It's a benefit of ub3r to view the page as well.

SIM-82498 - December 29, 2009, 8:15 pm

Yeah, I just saw this while browsing my profile.

Rob - December 29, 2009, 11:04 pm

Very nice. Glad I upgraded early while the price was right. ?

iSnow - December 29, 2009, 11:17 pm

AsSaSs@iN - December 30, 2009, 12:24 am

Nice to see you got everything worked out Omni and have implemented it ?

Omniscient - December 30, 2009, 12:28 am

Should be one of the last things I implement since it's so important. Probably a week away. I have some other stuff to do for ub3r in the meantime. Just about everyday I'll do something.

Zuaro - December 30, 2009, 12:39 am

Nice job Omni, I <3 IT

fagalite - December 30, 2009, 12:41 am

Im late to post in this thread but this is a plug in that users have been wanting for a while, nice to see it implemented.

Notorious Mental - December 30, 2009, 3:23 am

Saw that today and it is completely awesome.

However I believe you should look into the more important features which are not yet implemented and are more important.

Coronis - December 30, 2009, 3:37 am

Wow Ub3r is getting better and better... I wish I had one! Guess I will stick with L33t for the time being, unless someone buys me one that is! I am all ears! :)

Dr.Viper - January 6, 2010, 3:18 pm

Awesome tool indeed.

Really great idea.

Is it a plugin or a custom MyBB code out of your ingenious brain...? Man did you invent MyBB...?

Negative (-10): Pissing me off. Bought ub3r without my approval.

lol

SIM-63814 - January 6, 2010, 5:40 pm

Nice feature. But when ub3r will be available to all members?

Russkiy the Fox - January 12, 2010, 6:08 pm

Neth - January 12, 2010, 7:01 pm

Well ya i think that to buy i have etheir, but im happy im even here. :D

Ziore - January 13, 2010, 6:26 am

Not the other people given.
