Some great work on this art wall. Good job guys!

Hydra - February 5, 2012, 7:00 am

Nice Job Guys! Loving the Triangular artwork. Looks very nice. KIU!

?LPO - February 5, 2012, 7:03 am

Also, another thing, is it just me or do the crystal type things under the clock remind you of monster?

This is a joke. Barely any of this can be copyrighted under your name.

#2 is a stock,

You fail to understand that I did not make any of the graphics presented. These were done by group members of the time. The member who gave me the ripped interface is no longer in the group anyway.

Please understand however that this is a presentation of my groups work, not my own.

Whether you made them or not he is saying this because of this.
