That looks pretty nice, Good stuff =]

Ezio - February 8, 2012, 8:01 am

Im an honest man, and the Love is a rendered PSD i got from a public location.
But here you go anyways.

sorry but now it dose not looking hq

plz make love in dark red transparent or something add some flowers or any other things which makes it look cute ..

RasimJackson - February 8, 2012, 12:49 pm

This is the updated version with dark red 'Love' and slightly transparent. Is there any specific kind of flower you want and do you want many flowers or just a few or just something like a rose?

You're welcome.
I'm glad you like it.
