**Sorun** - February 8, 2012, 10:59 pm

Damn all that in one order, how much did it come out to in total?

**Dr Achtogonapus** - February 8, 2012, 11:03 pm

He bought it off a guy for \$300. Lucky bastard.

**aiir** - February 8, 2012, 11:07 pm

That's some happy days, enjoy 33,000 hours of pure filth :)

**????** - February 8, 2012, 11:09 pm

I'm so jelly.

Where do you get stuff like this cheap?

**IDon'tExist** - February 8, 2012, 11:21 pm

**98329101-41201** - February 8, 2012, 11:22 pm

My brain actually cut off for a minute at the first picture because of how awesome that was.

I see so many in there that I like :D

**Solar\_Flare** - February 8, 2012, 11:23 pm

wow somebody is going to have some fun!!!

**Fox** - February 8, 2012, 11:30 pm

I thought those were games for a moment there but then I realized that they were DVDs. xD

Anyways, have fun watching them all! :D

**Tasemu** - February 8, 2012, 11:55 pm

For those wondering, i bought them off a fellow otaku who is saving for a pilgrimage to japan. ^^

**Yui Hirasawa** - February 8, 2012, 11:58 pm

I am officially super jelly.

Nice collection you have thar :3

Let me know if you end up wanting to sell any ^^

**Marshmellow** - February 9, 2012, 12:33 am

Oh good.

I thought this thread was going to be about those small figurines people buy, paint and dress up, then call them their 'daughters'. That shit is weird.

**Skuxta** - February 9, 2012, 1:14 am

Dam that's a pretty big collection and for \$300 :O

Dam jealous of you right now.

**Marshmellow** - February 9, 2012, 1:18 am

Yeah, that's a pretty nice collection.

Did you buy it all from the same guy off ebay or something?

**Miiiracle** - February 9, 2012, 1:29 am

You got a great deal, amazing shows.

**Tasemu** - February 9, 2012, 1:29 am

No, someone locally. I knew him threw some people and saw him trying to sell some anime which eventually led to this goldmine. ^^

**Heartboy** - February 9, 2012, 1:30 am

OH MY FUCKING YES! FCLC I love that anime so much. I want Haruko to have my babies.

**Angel Beats!** - February 9, 2012, 3:36 am

Awww they are so cute. Who is the mother. xD

Nice stack, that will surely keep you busy :P

**Montie-Kin** - February 9, 2012, 5:45 am

Damn, somebody has money to blow, wish I could do that. lol

**Marshmellow** - February 9, 2012, 5:46 am

Spending 300 on that much isn't all that bad.

Hell, if that's the standard for having money to blow, I'm way worse.

**Black Hole** - February 9, 2012, 7:17 am

Badass collection is badass, c/d? gimme

**rxki** - February 9, 2012, 7:40 am

Holy crap, congratulations to you.

Noticed some of my favorites, Eureka 7, Sword of the Stranger, Darker than Black.

**Reki** - February 9, 2012, 7:53 am

All that for \$300? What kind of sorcery is this? The second picture is win, I'm jelly of Darker than Black and FLCL. I would really like to have those in my collection. Anyway, have fun watching all that!

**Montie-Kin** - February 9, 2012, 9:52 am

It's money to blow in my eyes, even though that's an "epic win" amount of anime for only \$300.

**TheElo124** - February 9, 2012, 9:56 am

holy fucking shit tas! i would kill for that much but i have more PS1 games XD

**Ryan'** - February 9, 2012, 10:31 am

Damn, I am just extremely Jelly. When you're done you can always send them my way. ?

**?aragon** - February 9, 2012, 11:14 am

Good for you! Personally I don't like having any used objects in my house, but that is just me xP.  
Nice find :3!

**Jaw?h** - February 9, 2012, 11:20 am

Send me them after your done ;)

lol

**Marshmellow** - February 9, 2012, 11:28 am

I don't think he'd buy them if he would watch them once then sell them off.

**Wishes** - February 9, 2012, 12:25 pm

He's probably seen most of these already.  
If anyone ever doubts you're an otaku just show them your closet.

All tested and checked (atleast until the main menu). Took a while.

It's the internet equivalent of penis size. Used in connotation with your standing on the internet.

**Tasemu** - February 10, 2012, 12:26 am

Ah, nah thats always been massive bro. Your standing on it. ^^

**Mulle** - February 10, 2012, 5:22 am

**Sloris** - February 10, 2012, 5:28 am

W-w-w-w-what .-.

**Ice Queen** - February 10, 2012, 5:35 am

**Rakshasa** - February 10, 2012, 5:37 am

Great purchase Tas, make sure we don't find out where you live..

**Sejskaler** - February 10, 2012, 11:33 am

Wow...

Damn you :P

**The Anarchist** - February 10, 2012, 8:32 pm

Oh shit, I'm jealous of the Cowboy Bebop box set. T.T  
Man, I wish I had snagged that deal.

(Edit: I'd totally buy that off you if you aren't a big Bebop fan!)

**dude10212** - February 10, 2012, 8:47 pm

Holy shit that's a lot of cash spent dude, is it worth it?

They are easily worth double what he paid.

In Norway this could easily go for triple that amount.

Same with Australia. Could get 900+ if i sold to the right people. ^^

**Eclipse** - February 11, 2012, 2:14 am

I think you have a lot of time on your hands. I wonder how long it will take you to finish watching all that. xD

Have fun with your 'children'. (:

I would honestly sell them tbh, or keep them if they mean something to you.

Impressive pile.

**Tasemu** - February 11, 2012, 7:16 am

i bought them because i want a collection, no way am i selling these. ^^

I was thinking about selling and then rebuying, but I'm honestly not that much into anime. If I had bought some mangas then I wouldn't sell them either.

**Marshmellow** - February 11, 2012, 12:54 pm

Do like Konata does.

She's got it all figured out.

**Yui Hirasawa** - February 11, 2012, 5:27 pm

Yeah, I'm hoping to find some deals like this on ebay/gumtree,

Sure I could pickup some good offer : 3

I looked around, couldn't find any deals that epic.

**Yui Hirasawa** - February 11, 2012, 10:41 pm

Doubt there would be ones as good as this,  
But i'm sure there's some good deals.  
Often see about 10 dvd's or so being sold for \$10

**Zamaruka** - February 13, 2012, 11:01 pm

Cool collection you got there. Enjoy watching them!

**Windows 7 was my idea** - February 13, 2012, 11:03 pm

Holy shit balls. How much did all of that cost? lol

**Tau** - February 13, 2012, 11:05 pm

Well, now we will know the reason of your dis-appearance Tas <3 How much was all that?

Front page. We were discussing the cost for two pages after. It could easily have gone for triple that.

**Yui Hirasawa** - February 14, 2012, 2:31 am

Doubt I will ever pick up a deal as good as this,  
But just managed to pickup a deal of 5 anime dvd's (Deathnote Season 1 & 2 + Hellsing) for \$3.  
I'm happy :3

Step One: Acquire currency

Step Two: Acquire contacts and friends with the same interests

Step Three: Let people know you want to buy anime, and look for it online

Step Four: Buy anime and increase your collection.

Doesn't seem that hard to me ;)

**antabuz** - February 15, 2012, 8:13 am

I see you have a lot to do at the moment :)

**ven0m** - February 15, 2012, 9:02 am
