glcon - February 13, 2012, 4:42 am

thanks for the tut!! Hope i'll make this.

Guess Who Is Back - February 13, 2012, 8:50 am

Very nice tutorial bro, i like it you are a GFX pro.

tomchez - February 13, 2012, 8:53 am

Really nice tutorial, saving it for when needed. Good job.

KarSticx - February 13, 2012, 8:55 am

Really Nice Tutorial Man

Thanks Good Job

S.Girl - February 13, 2012, 2:09 pm

Thanks You, good tutorial ! Go PHP :P

Sir - February 13, 2012, 2:17 pm

Very nice tutorial Biggrodd. This will come in handy. :)

Biggrodd - February 13, 2012, 3:45 pm

?

Glad to hear the mad comments!

If you ever need any help just let me know!

iNviZ - February 13, 2012, 4:14 pm

Very nice project thread in the name of the group. Good job man.

Syke. - February 13, 2012, 7:40 pm

yay for people who are actually high quality, and know what they are talking about.

Icelus - February 16, 2012, 12:25 pm

As always doing a great job with graphics Biggrodd

Ergo Proxy - February 17, 2012, 7:29 pm

Holy shit this is an epic guide. Thanks G for helping a newbie GFXer like me :D

Skiddiest fucking tutroail i've read you suck learn to fucking paint nice person

Jinu - February 18, 2012, 7:04 am

nice tutorial yet can you show me how to create like this animation?

I have used diamond in gradient tool but bit confusion.

Here is the image:

Tando - February 18, 2012, 8:30 am

Thanks very much, great tutorial, all I need is Photoshop now. :D

Chunked - February 26, 2012, 7:28 am

This was a very nice tutorial sir, good job!

ven0m - February 26, 2012, 9:12 am

ahh I was looking for a tut like this.

Thanks a lot for the share.

Cleaver - February 26, 2012, 2:15 pm

wow very nice tuto man thanks :D :D :D

Grayson :) - February 26, 2012, 6:02 pm

I'll try this out!

posting outcome soon

Text - February 26, 2012, 10:02 pm

Nice tutorial man, I really like it. Most just have a white line for the animation bar, you actually make it look professional. I will be giving you 3 positive reputation. Great job!

dikkill - February 27, 2012, 2:00 am

nice tutorial! bookmarked it for future use :).

thanks for the share :)

eon - February 28, 2012, 1:41 pm

Bookmarked this aswell, very nice detailed.

Thanks for the great tut.

x\$loit - March 1, 2012, 9:30 pm

The image isn't available any more. :c

Duck Duck - March 3, 2012, 10:06 am

This is a very nice tutorial. Thanks for it.

Eeluminati - *March 3, 2012, 8:33 pm*

Wow this was nice, thanks for this. Sweet tutorial.

Made - *March 3, 2012, 8:38 pm*

Indeed this was a great tutorial thanks for this.

Hug. - *March 7, 2012, 12:30 pm*

very nice tut, this should come in handy very soon, thanks! :)
