Thread: [BF3 LE 16.64 USD, BF3 SE 9.98 USD](#)

SdB - February 13, 2012, 1:59 pm

Limited edition: http://www.gama-gama.ru/Prod/Battlefield_3

Standard edition: http://www.gama-gama.ru/Prod/Battlefield_3_std

Site is legit, I have bought from it in the past.

Buying from Gama-Gama.ru would require you to change the language for BF3, a tutorial on how to do this can be found here:

Link: <http://www.cjs-cdkeys.com/battlefield-3-origin/bf3lang.html>

If you don't feel like buying it there, origin is having a 50% off sale on most shooters. Including BF3.

fads23 - February 13, 2012, 2:04 pm

Lowest price I've seen, SE is usually \$17 on RU sites

I know right, ~16.5 USD for LE is just a steal tbh.

SdB - February 15, 2012, 2:34 am

EDIT: Back to karkand is also 50% off on the origin store, just doesnt show up on the shooter discount page.

Mike' - February 15, 2012, 3:11 am

They are selling MW3 Keys for the same price

lukemulvaney - February 15, 2012, 6:22 am

Cool might try this :d THANK YOU hope it works in the uk

Mike' - February 15, 2012, 6:26 am

You need to have 'webmoney' though.

SystemC - February 15, 2012, 8:59 am

I want to play BF3 so bad but waiting for it to come for Steam.. Hopefully someday they will add it for steam ;)

Mike' - February 15, 2012, 9:25 am

They won't add it to steam, Origin is like EA's new crappy thing where it can control users & force BF3 players to use it otherwise MP features won't work.
