with just 2 VPS server with 1 GB connection i keep <http://forum.ghbsys.net/> down for like the 3rth day now :p

mtarief - February 14, 2012, 9:35 am

i need your email pm me with it Argently

denn1smeister - February 14, 2012, 9:43 am

I love this service

And would like to ask if i can have a seperate account on one of the VPS'S so i can do some legal things.

I understand if not

Jhawsh

Ravens7 - February 14, 2012, 9:46 am

please mind the poll at the top of the page ;)

this could be the last VPS i share here.

mtarief - February 14, 2012, 9:48 am

free33 - April 21, 2012, 2:10 pm

how do we use this server pls newbie here

brylle0 - May 11, 2012, 5:46 am

can i have the new password sir? thanks

tulpas - May 12, 2012, 2:56 am

Hi,

I would like to get that VPS. I offer professional services of group of hackers, penetration testers. I can also provide scanned US ID, driver licence, french ID, utility bill, student ID card of US universities and oxford, etc.

Regards

Rizzle - May 12, 2012, 3:03 am

can i get the login pass please ?

rare to c india vps :D
