Part 1: [Java for the Absolute Beginner](#)

Part 2: [Java Game Programming For Beginners](#)

Part 3: [Intermediate Java Game Programming](#)

Enjoy!

dix0nb - February 17, 2012, 10:08 am

Checking this out now, smooth man :)

Thanks!

Thanks!

Cool tell me if you enjoy them ;)

Btw I didn't make these

MasterRedstone114 - February 17, 2012, 5:04 pm

im checking it out now as well. i wanna learn java hacks

AlboBoy94 - February 17, 2012, 5:22 pm

Java hacks. ur kidding right?? (mts)

autorunman22 - February 17, 2012, 9:41 pm

may i ask what library you're using? is it slick2d?

OMGWTFBBQHOAX - February 18, 2012, 5:10 am

nice man!

will be checking it out now

postbag - February 18, 2012, 5:31 am

Don't know what this is, but downloading it anyways! (:

Appliance Warehouse - February 18, 2012, 1:04 pm

Nice. some of videos look good. Except, how do I open the other files?? not the mp4's?

RepV - February 18, 2012, 7:13 pm

.mov's require quicktime. I beleive thats all?

Fs_motox5210 - February 20, 2012, 1:32 pm

Thanks for this, helped me out a lot.

Normandy7 - February 20, 2012, 5:02 pm

Links are broken for me,
anyone else?

XenomeAlpha - March 11, 2012, 1:36 pm

Thanks a lot, btw TheJavaHub is the maker of it. You should look him up

apotato - March 13, 2012, 5:24 pm

This will be really helpful. Thanks for this!

eorms3d - March 14, 2012, 7:03 am

Looks sweet man, I'll check this out as soon as i can!

ietsGoArmy - June 13, 2012, 2:06 pm

Ummm Why are the links broken??? It looks like he legitly was just screwing with ppl

apotato - August 5, 2012, 6:56 am

It used to work. It was legitimate.

n3oera - August 5, 2012, 7:08 am

can someone re-upload? the links dont seem to be working

Egbert - August 15, 2012, 8:45 am

Yeah, please help, this looked really good but the links have brocken.

king225 - August 15, 2012, 10:20 am

404 not found,,, update your link
thnx man

Vedo_ - August 15, 2012, 10:30 am

fix the dam links :)

Thanks in advance
