Hello !

I recently bought Beats on eachgame.com for 8.99\$, works perfectly and good sound !

But Now I want buy pair "Monster Beats by Dr. Dre DETOX Headphones Limited Edition" but I want know if there are difference with eachgame.hk and eachgame.com because is not the same price .

Look Price :

<http://www.eachgame.hk/goods-8805.html> > (remove space)

<http://www.eachgame.com/goods-8633.html> > (remove space)

Reply please I need help ! ?

.hk is Hong Kong, China.

Either way, it's probably gonna be shipped from a Chinese warehouse.

.HK is mostly for people who buys a lot of items. .HK has shipping costs while their products are cheaper.

.Com has free shipping, but their products are more expensive.
