I may not be the greatest of the graphic artists on here... but i am not the worst ?

So if anyone has any requests whether it be a Avatar, Siggy, Icon, or Desktop wallpaper i'd be willing to make it for you ?

you have a special font you want in it?

<http://1001freefonts.com/>

<http://www.dafont.com/>

Go there and find a font if you wish...

Want something dark like a dark city and it has SniperRiflezzzz in the background or in the city.

EDIT: Desktop Background 1600x900

Sam Fisher - January 4, 2010, 2:37 pm

I'd like a sig. Something that looks nice with Akamaru from Naruto on it, as well as my name. No rush, take your time :)

Edit:

Graphic Type: Sig

Color Scheme: Whatever looks good

Theme: Umm would Akamaru from Naruto be the theme?

Description: N/A

Date Needed by: No rush, you can get it to me whenever.

Other: N/A

working on now...

To everyone else i make the ones i know i can make.
Meaning if you give me a half-ass description i'll give you a half-ass signature ?

Cyraxx 2 - January 4, 2010, 2:56 pm

so does that mean that mine will be "half-ass"

Slankey™ - January 4, 2010, 3:33 pm

no i am working on it now... just said that for future reference

Graphic Type: Signature

Color Scheme: Black, white, grey & red

Theme: Afro Samurai

Description: Can you do me a black, white & grey afro samurai signature. The only colour besides black, white & grey I would like is a bit of red blood. Also, could I have my username in the Afro Samurai font.

Date Needed by: ASAP

Other: I have posted a pic below to give an idea for you mate. I dont want it to be the same just your own spin on the design.

BUMP

Im starting tomorrow found some sick renders

Bad Meets Evil - January 4, 2010, 11:38 pm

If you can, I would like a sig that says Nistr. A dark theme to it with some sort of ninja or ninjas in the background and a cool font, thanks.
