how to use this bro?

i dont get it -_-

can you teach me how to use it?

or make full tutorial

Thanks in advance

redfusion - February 23, 2012, 2:21 am

Don't even know how to use the tools, downloading it anyway so i might learn something lol :3

You upload the .php scripts to your host and use them.

@OP Thanks alot! I love them.

Th3PonyWizard - February 23, 2012, 3:06 am

Oh thanks man, will use it for sure.

Just got this right now.

Thanks for your sharing.

Ir00tstuff - February 23, 2012, 4:03 am

These are pretty handy ,

Thanks for uploading.

sn.root - February 23, 2012, 4:48 am

lol! very nice collection include pic

thanks !!

Xer0bot - February 23, 2012, 4:50 am

Thank you, I'm sure I could find use for these in time .

Sw1x - February 23, 2012, 4:53 am

Inb4, virus scan.

No but serious, put a scan link up. ;)

These are .php files not .exe

games-lol-owned - February 23, 2012, 5:16 am

nice wont use it but it dose look awesome there is no back doors in this is there like say noob1 uploads it to his box and then noob1 gets hacked ?

Pennywise the Clown - February 23, 2012, 5:51 am

wow nice collection dude, your awesome, and thanks

TeslaHack - February 23, 2012, 5:56 am

Virus scan please if not a problem ,)
