Thread: [Can i Monster Beats By Dre \( Fake ones \) ?](#)

**LoVeYT** - February 23, 2012, 11:44 am

Hello,

I had a question about the marketplace.

Can i sell Monster Beats By Dre headphones/headsets on the Marketplace?

I have like 100 pieces right now.

But they aren't real.

They are form China so more cheap as the legit ones :)

Please let me know!

Best Regards,

Loveyt,

Yes, just make sure you mention they are fake.

Can you really? I did not know this. Anyway of confirming this?

-Don't want to sell..especially anything fake.. But just curious to see.

Why not? It's not a fake advertising. If you tell that you are selling a fake stuff, then it's fine.
