ok so the challenge was find a xss on penetration.altervista.org/XSS/priv8.php

i was told some ppl on here could not do well guys it took my 5 mins hehehe

[img]http://s16.postimage.org/juy68dc3p/done_heheh.png[/img]

heheheh mmm maybe i will share my way muhahahah so doing this made me a "pro"

RebornX - February 25, 2012, 3:29 am

Damn ! cool work . Mind sharing which technique you used to xss this please?

powerbk2 - February 25, 2012, 3:36 am

@games-lol-owned i got it too it wasnt hard at all just had to enter something real then take a look at the source :d

Then why dont one of you prove it and post the syntax. A screenshot doesnt prove it

God - February 25, 2012, 4:00 am

Duplicate posting rofl! Nice work mate.
