Thread: [Demoralize's Web Design Service! | Deface Pages | Sales Pages | Almost anything else!](#)

American Apathy - February 24, 2012, 9:39 am

For examples PM me!

Prices may also increase or decrease depending on a time frame you would like for completion of the project.

TheRippingGhost - February 24, 2012, 9:44 am

Vouch for user ... He redid my website .. Has a pretty slick design now :))))

American Apathy - February 24, 2012, 10:42 pm

Thanks for the vouch, glad you're happy with it.

ahmad_adnan - February 25, 2012, 7:06 am

Hello ,

If can u deface this website (addounia.tv) add me on PM me

American Apathy - February 28, 2012, 4:05 am

Um I don't deface websites for you.

Accepting projects PM me :)

idontknowwhatname - March 1, 2012, 3:45 am

can you do thread designs? Like for a booter n_n

Cubee - March 1, 2012, 6:02 am

Maybe interested, the image is broken!

Cunningham - March 1, 2012, 8:24 am

AIM or MSN me bro

AIM : omgmodz

MSN : omgmodz@aim.com

<3

Ignite. - March 1, 2012, 10:19 am

Vouch for Demoralize, legit guy yo.

American Apathy - March 7, 2012, 10:33 am

Thanks for the vouches.

PM me if you want something :)

American Apathy - March 9, 2012, 7:05 am

Taking more projects starting tomorrow, got some shit to do today :)

American Apathy - *March 13, 2012, 12:36 pm*

Still open for business, PM me if you want something. I'm working on examples to put up in free time so just pm me.

American Apathy - *March 17, 2012, 9:00 am*

Still open for business, PM me if you want something.
