Thread: [\[Free FTP\] DDos-Service.nl \[/Free FTP\]](#)

**GoldFile** - February 25, 2012, 2:22 am

Hi,

I will give a FREE Ftp for all members of the Domain: [DDos-Service.nl](#)

FTP Server: [ftp.ddos-service.nl](#)

FTP Login: f110345

FTP Password: W76645esE

it's also have an webmail.

[webmail.ddos-service.nl](#)

Webmail Login: info@ddos-service.nl

Webmail Password: s468u0d066

Login with Filezilla, or an other FTP Client,

FTP Directory: webspace/httpdocs

No look, you need to connect with Filezilla, or an other FTP Client, not the direct link of the FTP, and then login. I can help you if you want?

Nice one already tried it out and it's working.

Thanks GoldFile.
