People do not buy fake Beats for quality, they buy it for the label. All they have to do is look good and produce noise.

They are real looking and they also have a nice sound quality.
They are an exact copy.

Excited. - February 25, 2012, 3:24 pm

Yeah they look pretty good , Ill pm you about something , I dont wanna thrash your thread

Faggy Fagex - February 25, 2012, 3:44 pm

You can buy these on eachgame, dealicool and whatnot, don't buy them off this guy for double the price, sorry to burst your bubble OP but you're about 2 years late.
