Thread: [Xtreme Host Node Launch! \[4 Annual VPS's for sale!\]](#)

Cunningham - February 25, 2012, 3:35 pm

Well i just got my dedicated server located in the USA

To celebrate the launch i am selling 4 VPS's at a ALLTIME LOW ANNUAL RATE!

Annual VPS Package Details

4096 MB RAM

150GB HDD

1500GB Bandwidth [100mbps]

1IP Address

OpenVZ

SolusVM Panel

144\$ per year [Breaks down to 12\$ Per Month]

Swagbro - February 25, 2012, 3:36 pm

Vouch for my nigga Cunningham he still needs to move out of his moms basement

Cunningham - February 25, 2012, 3:36 pm

My room is upstairs dude!

& i leave for college in august so hush!

Markdapimp - February 25, 2012, 4:58 pm

how are you selling 4 vps's with 1 IP? "1 IP Address"

Swagbro - February 25, 2012, 5:02 pm

(Feb 25, 2012 05:58 PM)Markdapimp Wrote: [\[CITE\]](#) how are you selling 4 vps's with 1 IP? "1 IP Address"

They each have 1 ip dude haha :)

I like flamingos

Fatalz - February 25, 2012, 5:03 pm

I think he's giving the details of each vps he's selling

Cunningham - February 25, 2012, 5:06 pm

Those are the VPS Specs...

thanks for trying to make me look dumb though

Mountain Dew - February 25, 2012, 5:12 pm

Good shit Cunningham good luck with sales :P might need to get one of these from you

Cunningham - February 25, 2012, 5:14 pm

I appreciate it dude and i hope you do!
All 4 Need to Sell ASAP :D

w00ds - February 25, 2012, 5:15 pm

Location of node? Datacenter?

Thanks & good luck with sales.

Florida USA
Great Price for the specs dude

w00ds - February 25, 2012, 5:37 pm

(Feb 25, 2012 06:25 PM)Cunningham Wrote: [\[CITE\]](#) Florida USA

Great Price for the specs dude Definitely great price. My current Florida USA (Hostdime) currently charging me about \$20/month for 2gb ram openvz.

Well this would be 144\$/Year which is 12\$ per Month but you have to pay for 12 months
Then you would save 96\$ Per Year!

Cunningham - February 27, 2012, 1:55 pm

Make an offer guys these need to go!
I can do custom packages as well
