Thread not needed anymore, thank you!

Tasemu - January 7, 2010, 6:46 am

Excellent tutorial here mate, i dont vector often because of the amount of work involved but this taught me some new techniques. ^^

+rep well deserved.

HsiX - January 7, 2010, 6:53 am

great tut
thumbs up!

thumbs up!

Thank you very much ?

@Tasemu : Yup, the amount of work is really big ... But the rendering is really rewarding when you compare ^^

Thanks for the +rep !

TheDoctor - January 7, 2010, 7:57 am

Very good tutorial and great explanations. Thanks, will try it out later.

imAcarrot - January 7, 2010, 8:04 am

great tutorial! good work ;)

Twenty - January 8, 2010, 2:21 pm

Great tutorial, and yes, she does look cuter with the pink hair.

Haha, yeah ? ! Thanks for your comment :)

Warpclaw - January 10, 2010, 4:00 pm

LOL That looks so much better then the original!
Nice :)

Deadmau5™ - January 14, 2010, 8:03 am

could you tell me what photoshop ur using im stunned that u guys dont

V1sit0r - January 14, 2010, 10:48 am

I'm using Photoshop CS2. I don't like the new versions, CS2 is just enough for everything.
If you need it, i can upload it if you want. ?

The Name's Bing - January 14, 2010, 10:57 am

Wow! Thats a great TuT dude
Gonna try this out

V1sit0r - January 14, 2010, 11:45 am

Quote:Gonna try this out
Don't hesitate to post your results, i could advice you to improve it if you want ?

Sam Fisher - January 14, 2010, 12:10 pm

Wow, thank you for this. I've been wanting to get my GFX skills up for awhile now. I'm gonna try this :)

Captain Obvious - January 14, 2010, 1:48 pm

Very nice tutorial, very well explained, but the hair goes inside the eyes?, or the eyes fly like an inch from the face or?
I mean, the eyes are over the hair...

I understand what you mean :P
Well, if you look attentively, in most of manga, the eyes are very often on top ... I don't really know why, but i respect that, even if it doesn't logical.

Status - February 12, 2010, 5:51 pm

Cool tutorial dude!

tsts

KnobMoinster - February 15, 2010, 12:13 am

very nice job, i love making vectors.

V1sit0r - February 15, 2010, 12:49 pm

Oh really ? :)

I love that too !

Radon - February 16, 2010, 6:02 am

That looks so much better than the original. Well done at making the tut, especially with pictures for each and every step. I may start doing this in the future. Thanks

+Rep well and truely deserved.

TheBlackMarket - February 16, 2010, 4:15 pm

Excellent Tutorial mate, i learned me something =).

V1sit0r - February 19, 2010, 5:10 pm

I'm happy you learnt something :)

+Rep well and truely deserved.

Thank you, even if i don't see any rep of you, but nvm, it's not important ! :P

I'm glad it helped you, that's the important point ?

zymeth_15 - February 19, 2010, 5:14 pm

excellent tutorial...thanks....

TSX - June 1, 2010, 1:01 pm

Excellent tutorial. I learned alot from it.

WarlockSyno - June 1, 2010, 5:57 pm

I still can't do this. Damn. This is really hard, I need a tut on how to work the pin tool. ?

V1sit0r - June 7, 2010, 3:56 pm

How to work the pen tool ?

I'm going to make a little tutorial about this if you want. This is really simple.

I will PM you.

Edit : here is it > <https://hackforums.net/showthread.php?tid=466862>

'HK. - June 8, 2010, 12:58 pm

Awesome tut. Very easy to understand and follow (:

ACDC - June 8, 2010, 1:23 pm

Tobbi - April 21, 2011, 9:13 am

Very helpful tut. thanks a ton!

pseud0 - April 21, 2011, 9:51 am

its actual'y "vexel" because photoshop is not a vector program...but, good tutorial...

Rolls Royce - April 24, 2011, 2:59 pm

Very nice tut. I believe theres also a program called vectorworks but no clue what it does :D

J0NYGADDAR - April 25, 2011, 2:31 pm

Excellent tutorial here mate, nice explained good job

Classicz - April 26, 2011, 12:34 am

wow! really great tut, I'm using this right now :)

PhineasPhreak - May 2, 2011, 11:22 am

Good tutorial, looks too complex for me. Especially the shadow part of the hair.

Stenography - May 4, 2011, 5:23 am

great tutorial !

Coule you tell me how did you added to the item purple outline ?

Crosshairs - May 4, 2011, 9:03 pm

Stuck on it go into more depth please maybe a video

T0x1c - May 6, 2011, 2:35 pm

This is a great tut! I will give this a try later!

Nice idea, I will record my next tutorial.

Quote:Coule you tell me how did you added to the item purple outline ?

After selecting the background color, I draw it with the pen Tool.

Boo. - June 18, 2011, 4:29 pm

Vector'ing is for the people who have patience. And for me, I have non! (N) But thanks for the tutorial and wow when you got ont the face bit. Anime Characters eyes are really freeeaking weird!
^)^

XWAREZX - June 26, 2011, 7:56 am

Did you make any video of this tutorial if possible can you give me link...I'm not able to follow some of your steps..if possible...thanks

DGisRIPPIN - September 22, 2011, 6:03 pm

This is freaking awesome.

Used to try and fail at this.

thanks.

V1sit0r - October 3, 2011, 7:08 pm

A long time that this thread hasn't been ed !

It deserves it :)
