Thread: [THE "FREE" ELITE HACKERS TOOL KIT over 100+ free hacking tools and tuts](#)

eXoHav0c - February 29, 2012, 8:59 pm

I have on file One of the Largest Collections of Hacker tools, programs and tutorials found on the net, this is seriously the collection of all collections.

I was going to sell it but meh I fell nice tonight, PM me if you want it with a link of your post on this thread and I will send it too you :-p

UPDATE

-. im getting really tired of explaining this too the handfull of your who download my link and complain that im hacking you....but Ill explain it one more time for all you noobies I guess, whether or not you choice too belive it is up too you.

HACKING TOOLS are malicous pieces of software of course your viruse protection says its a viruse because it is!

theres over 50+ keyloggers and torjans and cracking tools and prank dialing software in my download so no shit it comes up as malware download it or dont idgaf im just sick of trying to do nice things for people just for them too say im trying too hack them -pce
