Thread: [AA weekly poll #1: DFC or Oppai?](#)

Black Hole - March 1, 2012, 2:28 pm

Sup AA, time for our first AA weekly poll! This one is quite simple:

DFC or Oppai?

Now, DFC = Delicious Flat Chest and Oppai = Large breasts.

Examples:

Oppai ([Click to View](#)) [img]http://27.media.tumblr.com/tumblr_lkc7wtvaej1qf18huo1_500.png[/img]

May your favorite win!

YERANUK - March 1, 2012, 2:33 pm

Why did you make the poll not public?

[animeFANI] Shana - March 1, 2012, 2:34 pm

When you hug a flat-chested girl, you're closer to their heart.

Spoiler ([Click to View](#)) I'll never hug a flat-chested girl ;_;

Ui Hirasawa - March 1, 2012, 2:39 pm

Obviously the DEECLIOUS flat chest ?.

Senior Sherlock - March 1, 2012, 3:22 pm

Damn... All of us here are lolicons :)

I love them delicious flat chests, hell if I got choose I would even say flat chested fan service is better.

Yui Hirasawa - March 1, 2012, 3:25 pm

I... like boobies, but not when they're super mega huge like that D:

I like them... sort of like average size.

But Flat Chests are all good, makes a character cuter for some reason :3

You don't necessarily have to be a lolicon to like flat chests and vice versa. Plenty of flat(or at least small) chested non-loli girls out there that are cute.

Yui Hirasawa - March 1, 2012, 3:28 pm

I'd say this is my ideal size.

I know but lets face facts, 9/10 times the loli flat chest is hotter/cuter and more desirable than the older non loli flat chest.

hikikomori - March 1, 2012, 3:30 pm

Yeah, flatter chests seem to give the girl more character. SO, i'm going with that.
(Not hating on big boobs, they're nice as well.)

Rakshasa - March 1, 2012, 3:39 pm

7-1

Well given the community of AA, you could've seen it coming...

Yeah, pretty much most of the people in AA are lolicons.

YERANUK - March 1, 2012, 4:02 pm

Who's the weirdo that likes sacks of meat?

Oh sorry mayne, made this poll on my iPhone while in the oriental store....could of sworn I checked the public poll option. ?

Granted most are only anime or h-manga or hentai lolicons, the idea of IRL girls is not as or even appealing to them... Hell even I am a lolicon, in terms of anime and hentai. IRL Not so much.

Tasemu - March 1, 2012, 5:07 pm

Haha 11 to 3, just the way i like it. :3

Indubitably Tasemu, indubitably.

I'd pick cute over hot any day.

Angel Beats! - March 1, 2012, 7:14 pm

Oh why not, I voted DFC even though I probably prefer it somewhere in the middle.

schoolman - March 1, 2012, 7:15 pm

Oppai all the way. It's more satisfying lol. (.)(.) :D

Black Hole - March 1, 2012, 11:17 pm

Alright guys, it's official, I will be hosting weekly polls! Make sure you stop in next Thursday (EST) for our next poll!

Professor Pantsu - March 2, 2012, 12:07 am

Definitely going to have to go with dfc here.

Marshmellow - March 2, 2012, 2:47 am

That honestly depends on the character.

Some characters fit either, other's only fit one of them, or even none of them.

All in all however, I'd prefer DFC. At least virtually.

As I posted, I only really like ... average size, not too big, not too small. :3

That's not really an option though, sadly.

This is a very black-white discussion.

Black Hole - March 2, 2012, 11:13 pm

Looks like DFCs win! What a surprise! cough

Look for the next poll on Thursday to see a little DFC tribute and to vote on the weekly poll!

Eclipse - March 3, 2012, 12:17 am

You gotta love the DFC's. xD

And someone said it's closer to the hearts, and I agree with that. :3

Ryan' - March 3, 2012, 12:31 am

Oppai. I'm not really into kids, or flat chests.
