Thread: [Need Help In GFX???](#)[\[Private lessons\]](#)

KnobMoinster - January 8, 2010, 1:44 am

Im starting up a program were people can get a lil private GFX lesson from me and it is totally free.
Pm me if intrested :D

You Will learn

- how to make a pro like sig
- Learn Tools
- Learn techniques

And this will jump start anyone on there way becoming a GFX master!

PS: this private lesson is intended for those who want to improve there techique, learn something new or see how its done. Tho i will teach anyone :P

What you will need:

- Photoshop CS3/CS4
- Msn And you have to add me. (dodgie@hotmail.com)
- And Teamviewer - <http://www.teamviewer.com/download/tv5.aspx>
- some time only about 40 mins -1 hr, and you can have multiple lessons.
- Also you must have respect and listen to me and be patient.

people i have taught:

Totally new style for me, but looks awesome ^^

KnobMoinster - January 24, 2010, 3:35 am

Anytime mate :D

waiting for more applicants

frogsten - January 24, 2010, 8:05 am

Im interested

I have teamviewer 5 and photoshop CS3 with a few brushes

I added you and Pm'ed

KnobMoinster - January 24, 2010, 8:09 am

ok ill pm yo or hit yo up on msn when im ready

Captain Obvious - January 24, 2010, 8:21 am

You should charge \$1 for this. Just a tip.

I might take it sometime when I get better, right now I know 0% on Photoshop.

KnobMoinster - January 24, 2010, 8:26 am

i doing it for free, people like it and mate im not that cheap.

African Hat - January 29, 2011, 4:20 am

Hit me up with a PM, totally would like this <3

Rhythm - January 29, 2011, 7:41 am

This is a year old...Please don't gravedig.
