Thread: [\[2 VIDEOS\]\[40mins\]\[100% UNSATURATED\] 2 Sexy Girls Nude Playing with themselves\[FREE\]](#)

?BIG Punisher™ - March 4, 2012, 1:18 pm

THESE VIDEO'S HAVE BEEN SEEN BY NO ONE BUT MYSELF.

DO NOT PM ME ABOUT THIS.

This is a privately owned video, recorded by myself whilst I was under a Lesbian alias. I'm going to share this because I feel I've not given back to the community much.

First video is 10 minutes long (roughly)

This girl's got gigantic features, you'll see them, along with sucking fingers etc...

This girl's 18 years of age, not the prettiest (the second one is) But Pede's seem to respond well to anything.

OR WRITE ON THIS THREAD IF YOU'RE INTERESTED IN GIVING ME A PICTURE PACK IN EXCHANGE / SOMETHING INTERESTING.

Post here for explicit preview's you'll be PM'd the images within minutes.

Second Video 25+ Minutes long.

This girl's bloody amazing, it's a video that includes some climax's etc.. Perfect pedo bait.

She's 19 years of age but easily mistaken to be younger.

Post here for explicit preview's you'll be PM'd the images within minutes.

DID you enjoy the video(s) please post and I'll send you some explicit picture pack(s)

If you don't want to use the adfly / survey link (used to avoid leechers) then write on this thread (Only if you're willing to trade picture packs for them).

These video's are perfect for making money with, I've not used them yet and probably shan't because I'm looking for good picture packs.

I'm trying to comprehend the rules on this nudity law, if i black out the nipple / area around the nipple and the vagina does that count if the rest of the body's on show?

Anyone want to tell me if the above is okay?

Yes, it does.

As long as you black out those parts it's fine.
