{ RadioActive Hack }? - January 9, 2010, 4:02 am

i want to donate to the site
umm is there a link or something

also what's a respected amount to donate i dont want to be cheap , because i love this site and just reading post about the hosting for this site would be alot , and thought to myself ill help a little , because this site has given me so much

i was think like 10 bucks, because i have been working alot and have wasted money on worse things before,
so yer how do i do it.

i have search for a link on the site before but gave up after a few minutes,
? ty
