Thread: [\[Source\] Twitter Follower PHP Script](#)

xb0y - March 6, 2012, 12:39 pm

So i made a PHP script for giving mass twitter followers.

Upload the files on your hosting, Enter IDs , Enter Username, Start!

Demo: <http://umadbro.in/twitter0.php>

Download Link: <http://umadbro.in/twit.rar>

Enjoy :)

Yes, Server side only :)

I made one VB tool also :P

Could you send me this please? Since your sites down.

H4x0r666 - January 1, 2013, 7:07 am

reupload to mediafire or something, your link is down :(

Racialz - January 1, 2013, 4:58 pm

Your site's down but I'd love to take a look at this :(
