Bumpin' this up!

Now has autobuy via uploadNsell.

\$5 Sale! Nothing to lose, so much to gain!

LiveLaughLoveTorture - December 23, 2012, 4:58 pm

you might get some more sales if you hand out vouch copies so you can have a l33t or ub3r vouch

As a friend of the guy I can speak from experience saying the methods in there are 100% original and still working. I can vouch for this eBook as it has a lot of detail and HQ information held within it. Definitely wouldn't hesitate to buy!

Glad you liked it man! Thanks for the vouch! :)

Willing to let one other HQ member review it for me.

Still on sale for \$5!

Any Ub3r's want to review this for me?

JetLifeJakob - December 25, 2012, 3:57 pm

Bump! Who wants to review this for me? :)

JetLifeJakob - December 27, 2012, 1:25 pm

Bump! Still looking for someone who wants to review this. :)
