There are some rules:

You need to have atleast 100 posts.

And you need to have atleast 5 positive rep

If you fail to follow these rules then I will Neg you because you did not read the thread.

This will be gifted to your STEAM account.

You just have to pick a number. Remember to see if others have taken your number before you post. I will try update the thread when people post but I can not watch over it all the time. So look twice before post.
