Thread: [1.5K Personal font pack - some premium fonts included](#)

?ason - March 14, 2012, 3:36 pm

Here is my personal 1500+ pack ripped directly from my fonts folder from control panel. I have collected these over the years ;) Enjoy. Some premium fonts are mixed around which I have bought in the past year or so.

Sweet post man, will be downloading in a few. Thanks a lot.

zuee - March 14, 2012, 6:56 pm

You should post this in the Graphics section instead of the Graphics Tutorials.

Wezz - March 14, 2012, 7:12 pm

Nice fonts in here, Thanks :D

Good job x]

the link says "404 not found" for me? :\
can you fix it?

K.FoFo - March 15, 2012, 8:11 am

Just downloaded the pack, thank you for that =)

?ason - March 18, 2012, 10:41 am

thanks guys, good luck with getting back into gfx!

creativextent - March 18, 2012, 5:13 pm

thank you very much for the pack.

These will go to good use!

Jam2556 - March 18, 2012, 5:36 pm

Thanks a lot for this, was looking for some good fonts.

Andy?? - March 18, 2012, 7:39 pm

Thanks for this :)

It's so big it taking me an hour to download D:

?ason - March 19, 2012, 12:37 am

Haha, atleast you know thatr your getting a decent, large pack! :)

DustinL - March 19, 2012, 4:33 pm

Downloading now, hope there is some great fonts! ;D

-White Power- - April 8, 2012, 10:15 pm

thankx for this bro :) nice share

keep up the good work

eon - April 9, 2012, 10:33 am

Awesome fonts man, some I never saw. (lol true story xD)

If you've shared more fonts, could you give me a link of it? Don't bother if it's to much work tho.

?ason - April 9, 2012, 10:35 am

Thanks, I don't currently share anything else. This is more than less everything I own.

Alex M. - April 9, 2012, 6:39 pm

Currently downloading, Will update this post with some feedback.

UPDATE: Thanks, there are some really cool fonts in there and they will be really helpful to me as I am learning graphics.

Thanks again :)

?ason - April 9, 2012, 7:00 pm

ok cool, thanks mate! I am waiting for your feedback now.

TwoFeesh - April 9, 2012, 7:24 pm

I downloaded these, and am about to try them out. FYI: shouldn't this be in the Graphics resource section(Since it isn't a tutorial)?

Snow. - April 10, 2012, 4:11 pm

Thank you Mason! :) really nice pack!

wapwizard - January 10, 2013, 6:13 am

Thanks! I am getting back into graphics and this should help a lot.

Liquified™ - January 10, 2013, 6:14 am

Awesome, a direct link.

Thank you Mason, much appreciated.

DE3 - January 18, 2013, 3:24 am

will download soon thanks for the direct link.

MacMiklas - January 18, 2013, 5:45 am

Great share, thanks!

Happy weekend.
