Send me DL Link thanks in advance

Enjoy Guys!

Cuvae - March 22, 2012, 6:24 am

The HTML 5 style icons look kinda... unnatural. I think you should just use the defaults

1337 hax0r - March 22, 2012, 6:29 am

Looks sexy, especially the blue glow at the top. But as a suggestion, maybe try rounding the square's edges so they don't look so flat or something? Not flaming at all though, it looks really great.

atwqn - March 22, 2012, 8:32 am

nice thread design.i would be happy if i get it
