Thread: [\[Add-ons\]Safe Browsing on Firefox\[Add-ons\]](#)

xSellize - March 18, 2012, 9:13 am

Hello HF,

this add-ons will help u to potect ure privacy and safe browsing!

[WOT](#)

WOT shows you which websites you can trust based on millions of users' experiences around the world. WOT Safe Search is set as your default search and gives you the safest search results on the web. WOT is fast, easy to use and free!

[Adblock Plus](#)

Annoyed by adverts? Troubled by tracking? Bothered by banners? Install Adblock Plus now to regain control of the internet and change the way that you view the web.

[BetterPrivacy](#)

Remove or manage a new and uncommon kind of cookies, better known as LSO's. The BetterPrivacy safeguard offers various ways to handle Flash-cookies set by Google, YouTube, Ebay and others...

[Adblock Plus Pop-up Addon](#)

Adblock Plus Pop-up Addon extends the blocking functionality of Adblock Plus to those annoying pop-up windows that are being opened on mouse clicks or other user actions.

[Ghostery](#)

Protect your privacy. See who's tracking your web browsing and block them with Ghostery.

[TrackerBlock](#)

Complete control over online tracking using multiple methods, including cookie blocking, persistent opt-out cookies, Flash and HTML5 control, and Do Not Track signals.

[Toggle Private Browsing](#)

Toggle Firefox's built-in private browsing mode with a toolbar or status bar button. You can also toggle Firefox to auto-start in private browsing mode.

[Redirect Remover](#)

Removes Redirects like <http://redirectremover.mozdev.org/?www.mozilla.org> from Links and Images

[BrowserProtect](#)

Alert and block browser hijacks on your Firefox.

Nice thread layout as well as neat add ons, thanks for the information and links!

gialieu - March 18, 2012, 9:47 am

how come i don't see Noscript Addon ? it's a good one too .. i only have ABP, Better Privacy and Noscript add-ons on my PC, most of them with a very high volume of Users, and too many add-ons would slow down my PC , so i have no choice just to pick the best ones
