OR:

Please leave a positive review on amazon if you decide to buy it there.
There are unlimited copies, no vouch copies, review up, any questions don't hesitate to PM me or post!

Impurity - March 23, 2012, 10:47 pm

Hello! My name is Impurity and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

=====

Title: [How To Jump Start Your Brain](#)

Price: \$5

Pages: 11

Author: [Cute](#)

Reviewer: [Impurity](#)

Average Rating: 8 / 10

MD5 Hash: FC961A91B64A113AA31F4FD3DDE606AD

=====

[img]http://img705.imageshack.us/img705/6448/quality8.png[/img]

The amount of information provided in this eBook is impressive. The author covers several areas to help boost brain activity, reactivity, and overall potential.

[img]http://img641.imageshack.us/img641/4388/easeofuse6.png[/img]

This isn't the easiest thing to do. It requires dedication, perseverance, and the mentality described in the eBook. If you're not ready for some changes in your life, it's going to be really hard to follow through with this.

[img]http://img847.imageshack.us/img847/7899/layout10.png[/img]

I really liked the layout. The author clearly understands how to correctly use font's, colors, text breaks, underlines, etc. and displayed it fantastically throughout this eBook. Good job!

[img]http://img220.imageshack.us/img220/1151/grammar9.png[/img]

I noticed one or two mistakes (not spelling, sentence structure and grammatical) but they weren't major and unless you were really searching for them like I was, you probably won't notice them.

[img]http://img13.imageshack.us/img13/9043/originality7.png[/img]

I already knew a lot of the methods in this eBook, nothing really brand new that will shock you. It's

all written fantastically well and provides a few tips and other exercises.

[img]http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png[/img]

One thing I didn't like was the perspective it was written in. It felt too commanding in my pinon, either way it's a fantastic eBook for a great price.

Good luck with sales!

Lemonade - March 24, 2012, 10:08 am

Hello! My name is Lemonade and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

=====

Title: [Jump Start Your Brain! - Get easy A's at school + Boost brain power.](#)

Price: \$5

Pages: 11

Author: [Cute](#)

Reviewer: [Lemonade](#)

Average Rating: 9 / 10

MD5 Hash: FC961A91B64A113AA31F4FD3DDE606AD

=====

[img]http://img339.imageshack.us/img339/7039/quality9.png[/img]

The author provides a great amount of details and information. This eBook is one of the few that provides extensive quality throughout. The author maintains the high standard from start to finish.

[img]http://img231.imageshack.us/img231/8668/easeofuse8.png[/img]

The methods provided in this eBook will work, I know from personal experience. You must note that this requires self motivation and you must be willing to do the studying and improve memory skills.

[img]http://img32.imageshack.us/img32/9348/layout9.png[/img]

The author did a great job in presenting information in this eBook. The only thing that I would recommend is adding a table of contents just for easy reference. Everything else in this ebook was perfect. The author used a nice font and used images that were appealing.

[img]http://img220.imageshack.us/img220/1151/grammar9.png[/img]

I noticed only one or two mistakes that should have been fixed. None of the mistakes I saw affected the structure of the sentences at hand. Overall the author did a great job in keeping mistakes down throughout the eBook.

[img]http://img846.imageshack.us/img846/1675/originality8.png[/img]

I haven't seen methods like this before. You can find methods like this online publically and your school teachers have told you about them. The author gathers multiple methods and includes them all to make it special.

[img]http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png[/img]

This eBook is a must buy for anyone looking to improve in school work, but they must be willing to put in the effort.

Good luck with sales!

Beauty - April 5, 2012, 1:12 pm

I didn't even realize this thread got posted, if you'd like to see the reviews on the other thread you can read through them here:

<https://hackforums.net/showthread.php?tid=2338852&page=3>

D4rksVader - April 5, 2012, 4:30 pm

Really good reviews, shame i've just finished all my exams...

Got C-B :/ coulda used this i guess xD

Deagler - April 5, 2012, 5:22 pm

Would like to buy this Im pming you now, I hope it works.

Beauty - April 5, 2012, 5:23 pm

You can always buy it for next year, or next semester :) It works for homework, etc as well.

Clarity - April 5, 2012, 5:51 pm

Excellent eBook. I'm on spring break at the moment but plan on putting these new methods to use later on in the school year. For the price, this eBook is definitely one of the best on the market. Good luck with future sales and thanks for this.

Deagler - April 5, 2012, 6:44 pm

I have bought a copy of this e-book.

Name: Jump Start Your Brain.

Method type: Uhh Whitehat...

I just finished reading this e-book and it's really good, I'm on holiday right now so when school start's Im going to try this and hopefully it works! Most of the things in this e-book are well known yet still very helpful. This e-book is highly recommended to anyone who would like an A+

Overall rating: 9/10

Note to seller:

That part at the end was sneaky :) I was like omg omg is it this? or was it that? (:P I got it right though)

Disclaimer:

I am not responsible for any negative outcomes from this e-book

Beauty - April 7, 2012, 11:33 am

Thanks for the review and sale Deagler :)

Burst - April 7, 2012, 4:12 pm

Awesome! I'll be buying this tomorrow.

blem - April 8, 2012, 9:36 am

I just bought this ebook and it looks great! I'm not failing in school but I do have exams coming up and I wanted to know the best revision techniques.

Beauty - April 8, 2012, 11:43 am

I'm glad you like it Astound :)

I hope it helps you.

h4x0r4life - April 8, 2012, 12:13 pm

Was a good read, I'm already revising but I will try the daily things he listed and described. Like it says whatever you put in you get out. Overall it's well worth it \$5 was a good read and a short one but it also told you what to do and how to do it.

JRondon - April 8, 2012, 12:16 pm

I'll bookmark this thread and I'll maybe buy the ebook to improve my grades a bit. Good luck on sales ;)

Beauty - April 8, 2012, 1:44 pm

(Apr 8, 2012 12:16 PM)Musaka Wrote: [\[CITE\]](#) I'll bookmark this thread and I'll maybe buy the ebook to improve my grades a bit. Good luck on sales ;)

Thanks :) If you do buy please leave a review for others to read, the only downside to auto-buying is that people often don't stop to write reviews.

Juicy - April 8, 2012, 8:00 pm

I will buy this, hit me up please :D I am excited!

Beauty - April 8, 2012, 8:23 pm

If you're interested in purchasing, click the thread image ;)

And leave a review afterwards as well!

salmoneus - April 15, 2012, 8:21 pm

I have bought this eBook and this is my review:

Let me say first of all, that this book has near impeccable grammar and a very neat and organized layout. The book contains information on study habits, techniques on how to improve short & long term memory recollection, and other useful tips on general mental health. While I am somewhat

skeptical at the proven effectiveness of some of the techniques listed, others I am sure of (over time) will most certainly improve your memory and grades. Also, this technique does not require as much "dedication" as the previous reviews have listed. If you follow the process 100%, it will at most take up 2 hours of your day. (with HW) I find that the study habit is generally well known and is mostly common knowledge but very well explained. The book serves as a push to get you going and make better grades, and I would recommend it for only 5\$.

Score: 7.5/10 : Well worth it!

xXx pR0 h4X0r xXx - April 16, 2012, 5:42 pm

This eBook is a must buy for anyone looking to improve in school work, but they must be willing to put in the effort.

Good luck with sales!

May I ask, if the teachers have told us about these methods before then why the hell is it 8/10... You really need to change your system of rating guide because none that I have ever brought were any good, and basically 8/10 should be very original and unique nothing you can find online, because why would people need to pay for it then?.. Its just tricking people to buy guides which are sometimes useless (Not saying that this one is useless but generally).

Note: Don't mean to be rude, but just wanted to post this as it makes no sense to me.

Beauty - April 21, 2012, 7:18 am

(Apr 21, 2012 04:55 AM)BadBoyOwnz Wrote: [\[CITE\]](#) May I ask, if the teachers have told us about these methods before then why the hell is it 8/10... Its just tricking people to buy guides which are sometimes useless (Not saying that this one is useless but generally).

Note: Don't mean to be rude, but just wanted to post this as it makes no sense to me. Well in that review they say you can find methods LIKE that, I personally haven't come across any and haven't had teachers tell me, but other teachers may know about it. To my knowledge the method I have is unique, but I am sure that other people can think of it, the same way I did.

Randy Orton - April 23, 2012, 5:14 am

Great Guide, definitely worth \$5. perfect price for it, Really nice and helpful tips to increase your grades :D

Beauty - April 23, 2012, 1:24 pm

Thanks for the review LMFAO, I'm glad you like it :) I'm writing my next book for you all soon hopefully I'm able to get a few more sales on this one.

Please follow what I said above, PM me with purchase proof and I'll send you a copy.

Sometimes uploadnsells scripts cause crashes.

NFMusic - May 14, 2012, 12:37 am

My thoughts on this book.

at first i was skeptical, i mean, theres only one easy way to success, and thats studying hard.

But this book shows that its not studying hard, but studying smart. It shows that you can put half the amount of time you actually put in, but overall do a better job. It shows how to increase brain capacity , and ways to study.

I give this a 9/10 , very happy with this product, and i can't wait to surprise my teachers :)

Beauty - May 14, 2012, 4:16 pm

Thanks for the review :) I'm really glad you like it!

Cuvae - May 20, 2012, 8:49 pm

So many positive reviews I have to buy it!

DaFreak - May 22, 2012, 12:18 am

If you accept LR, I would have bought this already.

Just bought this e-book moments ago. I will post my thoughts about it after I read it. :)

Alside - June 8, 2012, 8:50 pm

Vouch for this man His ebook is great P|:P|

Janitor - July 4, 2012, 6:02 am

Dammit, I do the survey and it never unlocks the download :(

Beauty - August 16, 2012, 4:41 pm

I'm starting this up again due to school starting soon!

Cobalt+ - August 17, 2012, 12:44 pm

Vouch for Beauty. I bought a copy just now and love it.

Beauty - August 18, 2012, 8:36 am

I'm glad you liked it!

Also, if you guys buy it, can you post about it as well!

In Gold We Trust - August 18, 2012, 8:50 am

Just bought it and it looks very good.

Too bad my english is bad so i could not read it ;(

But it looks very nice.

Antitrust - August 18, 2012, 10:02 pm

Pretty good e-book. Explains some very nice things and I will surely use the studying method in this e-book. Thanks

Beauty - August 19, 2012, 4:43 pm

Updated, this book is now being sold on amazon for kindle devices and a buy it now button has been added.

ALSO, more sections and content have been added to this book!

Get it in time for school :)

Cyba - August 19, 2012, 8:34 pm

It seems nice, good luck with the sales.

Dezzz - August 20, 2012, 5:14 pm

Seems like a great guide. I might buy it later on when I have the money.

Wires - August 21, 2012, 4:45 pm

Vouch for OP, well trusted. the books brilliant.

Beauty - August 22, 2012, 11:04 am

Thanks guys for the vouches, there should be some more user reviews up soon, at least if they decide to write one after they buy.

CyberSyringe - September 8, 2012, 10:21 pm

Vouch for this user.

Great ebook, love the puzzles that he mentions.

Beauty - September 9, 2012, 1:26 pm

Thanks for the vouch :) If anyone has additional questions let me know.

probl3m - September 14, 2012, 2:12 pm

I bought it, I'll test it and review later .

TheNullz - September 15, 2012, 1:49 pm

Is this book actually worth it? :D What kind of things does it have that could help us get A's? Are there just methods on memorization and all? Will this help in my AP classes.

Beauty - September 15, 2012, 2:34 pm

(Sep 15, 2012 01:49 PM)TheNullz Wrote: [\[CITE\]](#) Is this book actually worth it? :D What kind of things does it have that could help us get A's?

Are there just methods on memorization and all? Will this help in my AP classes.

You can check posts on this thread to see if it's worth it or not, it should be able to help improve any student, but some more than others, if you get straight A's currently, it of course won't improve you as much as a student who receives F's, but you should still be able to implement the tips and ideas to improve yourself further.

Yomama - September 15, 2012, 2:54 pm

Still for \$10? Will you lower the price to \$5?

Beauty - September 15, 2012, 3:06 pm

(Sep 15, 2012 02:54 PM)Yomama Wrote: [\[CITE\]](#) Still for \$10? Will you lower the price to \$5?

Sorry but the price will remain at \$10, I feel it's a fair price given the information in the e-book, however I do accept trades and Bitcoins if you have any other offers.

Stowaway - September 17, 2012, 5:37 pm

You and your bitcoins beauty :/ hug up on that still?

blem - September 18, 2012, 3:53 pm

Bought the ebook AGES ago and it really does work. Vouch for Beauty.

Beauty - September 20, 2012, 3:09 pm

Thanks for the post Astound!

Also @ bigpapabb yes (: I don't use bitcoins often but they're useful to have.

Mostin - September 22, 2012, 6:52 pm

I'm thinking of buying this E-Book tomorrow and posting a nice review about it :)

Beauty - September 23, 2012, 7:27 am

Good to know (: if you feel more comfortable purchasing directly through me instead of uploadnsell let me know!

ModderXNick - September 25, 2012, 7:19 pm

Does this relate to any drugs or any other substances or methods that can harm the body? Or is it all purely studying and dedicating your time?

Beauty - September 26, 2012, 4:06 am

(Sep 25, 2012 07:19 PM)ModderXNick Wrote: [\[CITE\]](#) Does this relate to any drugs or any other substances or methods that can harm the body? Or is it all purely studying and dedicating your time? No, I believe one or two drugs are mentioned, but they are not encouraged, and 100% safe for anyone to use.

KasualHF - September 26, 2012, 12:51 pm

Has this been updated? I have this ebook because I got it from a uploadnsell grabber and it was leaked multiple times?

Beauty - September 27, 2012, 5:52 pm

I'm sure it was leaked, and I'd appreciate if you would not read or re-download it using uploadnsell exploits, as I've spent quite a long time gathering information and writing the e-book.

EDIT:

This is also now released free via my signature.

Stowaway - September 27, 2012, 8:02 pm

Its not free you actually have to work for it :P

Beauty - September 27, 2012, 8:08 pm

(Sep 27, 2012 08:02 PM)bigpapabb Wrote: [\[CITE\]](#) Its not free you actually have to work for it :P Then feel free to buy it, if you want to get technical nothing is free, everything gets paid for somehow.

This way happens to be 5 minutes of survey completion, the book is worth AT LEAST that IMO.

Stowaway - September 27, 2012, 8:21 pm

which one is it -.- they all look like poo :L

Beauty - September 30, 2012, 5:35 am

(Sep 27, 2012 08:21 PM)bigpapabb Wrote: [\[CITE\]](#) which one is it -.- they all look like poo :L I'm not sure I understand your question, which one is what?

SikhRhythm - October 2, 2012, 6:42 pm

Vouch for this ebook. Not gonna lie, it has some extremely nice tips and exercises for your brain.

DaFreak - October 3, 2012, 9:41 am

I was thinking to buy this.. I just made a search and found your latest version of the eBook leaked.

Beauty - October 3, 2012, 12:07 pm

(Oct 3, 2012 09:41 AM)DaFreak ? Wrote: [\[CITE\]](#) I was thinking to buy this.. I just made a search and found your latest version of the eBook leaked.

Yes I'm aware, but there is not much I can do sadly.

I'm hoping that people who download the leaked version and enjoy it pay the money either way to show support.

jaark - October 4, 2012, 8:02 pm

I'm interesting in purchasing this e-book, but I do have one question.

What's the difference between this \$10 version, and the \$5 one from your original thread?

The \$5 was an original discount, it has always intended to be \$10, there is one added section which simply adds a motivational paragraph.

My man Beauty is legit. This eBook will help you tremendously. Vouch.

Sir Asylum - October 6, 2012, 5:42 pm

Vouch for this guy. His ebook is very nice. One day i will buy it ^^

Beauty - October 7, 2012, 4:50 pm

Still selling this (: I think it will help a lot of people this school year.

Beauty - October 20, 2012, 10:37 am

Note to everyone: This e-book is currently and has been leaked multiple times with my knowledge, I am aware but I will do little to stop it, I trust that members who enjoy it will find some way to pay for it as it was intended.

For all of you, enjoy the e-book.

Mixyin - October 31, 2012, 8:39 pm

Thanks for the method! Looks fantastic :) Let's hope I can boost my grades.

Check my signature for news + discussion on the new e-book that I will be writing, along the same lines of Jump Start Your Brain

?1337 - November 2, 2012, 4:00 pm

I just wanted to say, thank you for this guide.

I only had around 40% of my grades being A, the rest being C's. Simply because I did not revise, was not motivated; thank you, I'll keep you updated on what grades I get next year. I can't wait.

?BLacKiCetf2™ - November 4, 2012, 5:47 am

I Just bought it it looks pretty good !

Beauty - November 4, 2012, 11:54 am

I'm so glad it helped you ?1337 (:

And also if anyone needs additional help/has extra questions please don't be afraid to PM me, I don't bite hard.

Vouzah - November 4, 2012, 12:22 pm

I just bought this e-book

will tell you if it helped me or not and if it is worth it

Just Read This Book And Love It!

This Is Amazing And Exactly What Will Get Anyone What They Want.
I'm Going To Start This Routine And Method Tomorrow And Will Not Give Up.
I Believe It Will Work And This Is Money Well Spent. I Love How You Added The Thing About Remembering The Number.
Thank You.
