Hehe, means I am doing my job right. Provoking thought and decision making.

The long hair image seems to be broken.

Thanks for catching that, fixing now.

EDIT - FUCK YEAH! Konata! Hope the votes won't be biased now....

KernelMode - March 22, 2012, 2:54 pm

Long Hair is my favorite. ?

Adlil - March 22, 2012, 2:55 pm

Usually I'd provide an image, but a little lazy at this time. My other vote is for the requirement of hair covering one eye.

Yuusha - March 22, 2012, 2:58 pm

I like long hair but the Miku image reminded me why I like twin tails; Miku. So twin tails it is.

Ui Hirasawa - March 22, 2012, 3:04 pm

Uhhh, I change my answer! I vote Twin Tails! XD

Yes, possibly, I'd write that down somewhere.

?hadow - March 22, 2012, 3:06 pm

Easy vote this week, twin tails hands down.

Alright will do.

NOTE-Script is conflicted. Make sure to change his vote from pony tail to twin tails.

Done.

Ui Hirasawa - March 22, 2012, 3:37 pm

SIM-524734 - March 22, 2012, 3:47 pm

I couldn't choose between twin tail or short for a long time):

Senior Sherlock - March 22, 2012, 4:01 pm

I have to answer with short hair. All short hair girls are fucking awesome, especially with small or flat/loli chests ohhh fuck yeah.

Ignore what my signature may imply!

Shay. - March 22, 2012, 4:11 pm

100 Posts to vote on a poll but I'll choose Long hair!

Gambeezy - March 22, 2012, 4:20 pm

Long...No Twin...No Short!

Rrrr...CAN'T I JUST CHOOSE THEM ALL?

Black Hole - March 22, 2012, 4:22 pm

First off, singular, raising the bar.

Secondly, no you cant Gam >:3

Thirdly, Konata is definitely overpowered lol.

hikikomori - March 22, 2012, 4:38 pm

I would have to say, long hair. But, damn the twin tails does entice me... lol

Twisted. - March 22, 2012, 5:23 pm

Yep long, although twin tails and short come close.

I specifically like Hime cut long hair. :3

Sorun - March 22, 2012, 5:28 pm

So madoka counts as short?

I would indeed classify that as short. However, this isn't your favorite characters hair style, it is your general favorite hairstyle. Which hairstyle gels with you the most. If you were making an anime character, what hairstyle would you put on her?

Hands down.

Undoubtedly so. You sir, I like.

Angel Beats! - March 22, 2012, 8:00 pm

I think it depends on the character. I generally like short, but there are some characters have different hairstyles that I just love. Mai waifu's hair is long so I went with that. Not only because she's my favorite character, but her hair is gorgeous. Ten points if you know who it is.

???? - March 23, 2012, 3:49 am

Either pony tail or twin tail for me, not too fussed :)

Yui Hirasawa - March 23, 2012, 4:15 am

Twintails.

Oh gawsh, dey make girls look sah hawt.

But normal hair looks hot on an anime character too.

Twintails make them look younger. :p

Wishes - March 23, 2012, 6:50 am

Definitely long ,preferably dark black straight till the butt.

Strangely enough I haven't seen that series yet. I've seen a few "comics" cough about it and rather enjoyed them though I haven't brought myself to watch the series. Will probably get around to it.

I really like this though [\(Click to View\)](#)

HazeGfxZone - March 23, 2012, 6:53 pm

There's just something about long hair.

Programmargorp - March 24, 2012, 2:47 am

I chose twintails cause there's many cute pixles with twintails (Inori from Guilty Crown for example)

Ryuku - March 25, 2012, 2:19 pm

Long, but not all the way down to the feet...

Hmm, once again my expectations for a poll have been shattered. Pretty big lead so far. Get your

votes in guys and may your favorite win!

@Ryuku - Who is that?

Ryuku - March 25, 2012, 2:38 pm

She is Maon-chan (Tamayura ~hitotose). Isn't she beautiful? (o^-^o)

Tasemu - March 25, 2012, 2:40 pm

Long hair is my thing. Babes with long hair like Nadeko and Yoko. ^^

I'd almost classify Nadeko as semi-short hair...past shoulders is long to me.

Fox - March 25, 2012, 3:30 pm

I voted short because I developed a liking to short-haired girls. :3

TWINTAILS because HATSUNE MIKU <3.

Also, have you ever imagined grabbing a bitch with long twintails while your tappin' dat ass from the back?

Shiiit. Reminds me of why I live in Texas. I'll give her a slap on the ass, make her buck, and hold on for dear life.

TL Note: The " last for 10 seconds" in common rodeo shows will not be applied.
