Woo. I'm a bit out-of-it due to some dental procedures, so I didn't clearly read the OP. I nearly posted my email, with the expectation of you sending me the method. That could've went bad.

Sisokame - September 27, 2014, 11:32 am

Please spam this: pxd5g-4649114616@comm.craigslist.org The story behind it is that this is a person looking for a stud dog on craigslist and they obviously got 3 best of's so their ad can't be taken down. Any puppy lovers out there? Thanks in advance to any that do. Obviously I'm very new to this, please forgive me if what I'm doing is out of place.
