Thread: [? ? ? Godly.'s XBL One Month Giveaway! ? ? ? #2](#)

G?dly - April 1, 2012, 5:39 pm

Welcome to my second one month XBL giveaway!

A one month for XBL!

All YOU have to do is post here on this thread why you deserve it, no sympathy or lies or your out.

I.E. - I CAN'T AFFORD IT or MY FAMILY'S TO POOR and then have a thread saying "How to make \$10,000 in an hour!"

Post what you have done for HF!

Good Luck, and don't leech!

iwu - April 1, 2012, 5:40 pm

No sob story or lies at all from me.

My cousin just seriously wants XBL again to play with his friends.

He just got Dead Island and has no more money left.

EDIT:Did not see that.

Might wanna use [this](#) link.

All my threads.

Most of them are giveaways/contests/tutorials.

v11 - April 1, 2012, 5:41 pm

To be totally honest my XBL is getting ready to run out, and I could use that.

Good luck to all members.

G?dly - April 1, 2012, 5:46 pm

I said I also want you to post what you have done for HF to deserve it.

iwu - April 1, 2012, 5:56 pm

puppetrocks - April 1, 2012, 6:03 pm

SubjectTrek - April 1, 2012, 6:10 pm

I would like this and I deserve it because I do GFX for people on this site :D

G?dly - April 1, 2012, 6:12 pm

Keep posting guys! I have an eye out!

?rtificial - April 1, 2012, 6:25 pm

I deserve this because I keep the quality of the forums high. I refrain from starting arguments and childish related acts on HF. Though I am unable to host giveaways or give out money like many of the delightful members of HF, I help the community daily by trying to answer as many questions as I can when people are posting for help on their threads. I go around parts of the forums that I have knowledge in and assisting people the best I can. I have wrote a tutorial to help some members better understand things that I feel some tutorials just don't do it. The said tutorial can be found here: <https://hackforums.net/showthread.php?tid=2101162>

I have also started a thread to inform people about the crypters that are being sold in the Marketplace, so they do not waste their money to only find out that the product was not what they expected. It can be found here: <https://hackforums.net/showthread.php?tid=2226711>

I am active and post quite often to keep the forums active. I have some neutral/negative reputation, but they are mostly good or from immature kids, who they themselves have either scammed or raged. I can prove that if necessary. I have even tried and succeeded in joining some official and non-official groups on HF and supported their work in making HF a better community for everyone else.

Good luck to everyone else that applies.

deadlyicedragon - April 1, 2012, 6:27 pm

wow you should totally give it to the guy above me man,such a HQ post and member,i really don't deserve it because i don't do much,but i know a HQ post when i see one :)

Netflix - April 1, 2012, 6:28 pm

I think I deserve it because I have no xbl right now and my paypal is limited so I can't buy one

Ferrnny - April 1, 2012, 6:30 pm

I think i deserve it because im BA and have a big noodle

Reptar - April 1, 2012, 7:11 pm

Why do i deserve it:

I think i deserve this because i am a very helpful nice member that has always given members of the HF free stuff previously. I will be giving away a Steam account with a shitload of games on it.

Also, i have upgraded members to L33T and UB3R. Why don't i buy it? Because i live by the motto, everything is better free. Why you think i give everything away for free? ?
