Thread: [Propitious and Techsperts, \[Full of love, here <3\]](#)

Grin - April 3, 2012, 10:20 pm

As you may have realized, or not realized. I disappeared. Kinda.
This thread is for those that care.

If you were wondering why I left both groups, it isn't because of the group or any one else's fault. I have a lot going on at school right now, and this quarter is critical to my success at school. I'll be around HF, just not that active. On a daily basis I'll be here. I probably won't be doing 25 posts a day though.
?

But, back on topic.

I REALLY love you guys all in TS and P. Ok.

Don't you forget that. If you guys need some help, I'll still be around. :D

fact is, I'll re-join in the long run. Don't worry about anyone, but make the leaders happy.

Positive, You are an AMaZING leader. I owe you a recognition.

bugga, You are, this forum's, life. I owe you a recognition.

iNviZ, You are a true friend, and a GREAT LEADER. I owe you a recognition.

Justice, You were a great member and staff. I owe you a recognition.

Barneyyz™ Cause no one knows you are hiding.

LemonBro3, You, you, were just a great talking buddy. I owe you a recognition.

Not, I love the way you aren't part of the family. (You better get this. This is your own joke. :P) I owe you a recognition.

BEASTLY! You are just so full of energy :D I owe you a recognition.

Legacy. Dude, I met you in Propitious, and I don't regret a moment of it. I owe you a recognition.

Secrets. You were a dedicated knight. Supporting me all the way. I owe you a recognition.

AP4THY. You were a loving member that treated everyone with respect regardless of rank. I owe you a recognition.

CHRISTY! I love you so much! We just chatted it up that one time. xD Sorry to embarrass ya. I owe you a recognition.

TheHackersLove, I never saw you around too much [I'm sure you are really busy] , but you are a good member. I did see you back in the Wraiths, and you were a chill memba. Fit for a leader. I owe you a recognition.

Anarchy. I FUCKING LOVE YOU. I owe you a recognition.

ENTERPRISE! You quit changin your name damnit! I owe you a recognition.

-Divine Yep. You just are a very appreciative member, and I think everyone should appreciate you. I owe you a recognition.

Sportz[s]/ Dunno, how you'd like it, but I really have to say, you impressed me. I owe you a recognition.

There are more people that I don't have to say, "I owe you a recognition."

You know who you are.

Yes, the few loyal iDevicers, that's been alongside with me since the very start of my journey here, on HF.

Actually, I owe both groups a BIG GREAT HUG! Spread the love! ?

?
?

So, for those of you...that I love, you are remembered. For those members that I didn't list. C'mon give me a break. ? Doesn't mean I don't like you. I just never got the chance to know you. If you think you want to post something, go ahead, if not, no one's going to force you. ? It'd be nice, though, that I know who I wrote this too, saw this thread. :D

It's not like he's leaving.. He'll just no longer be able to continue doing the mandatory things within the groups, ergo he'll be slightly inactive until he gets his school work in order.

:D

Did you have another name. And I forgot you too, Starstruck. PEACE!

Dead Hobo - April 4, 2012, 5:17 pm

Would be cool to be in the thread but we have never talked. I just want to tell you how much of a role model you are to me. I have seen many of your posts and love them all. They are all very high quality and never low in length or quality. I have tried to be you as you were my first role model here. I remember when I was so interested in joining Propitious thanks to you and the emblem you had by your name. It seemed really cool and fun so I was interested. I learned about user groups from you and you have kept me interested in them all this time. You may not remember me since it was one of my first PM's, but I will certainly remember you. I wish you good luck in school and hope you do great!

iNviZ - April 4, 2012, 5:28 pm
