Thread: [Red Lions | HUGE GFX Pack #1 | Free 4 All!](#)

Hydra - April 8, 2012, 1:37 pm

PM me ONCE for all three packs. Thank you.

[Pack #2](#) | [Pack #3](#)

Hello everyone, today I am giving away a huge 49.3 Mb pack of amazing HQ GFX. It consists of .PSDs, Vectors in .AIs and .ESPs formats, and a few preview .PNGs. I'd also like to add that these are completely customizable. If you want to change a color, double click the shapes color portion and change it to your needs.

This is being given away by Red Lions, and setup and gathered by iHydra. It has lots of resources, a few you may see below. Includes, Banners, Badges, Icons, and a few other stuff. Hope you find these useful, Red Lions may do another GFX Giveaway pretty soon. Stay Tuned!

[color=#FF0000]How to get:

To get this, you must [PM](#) me for the key. Without the key, all you have is a link with a VERY Complex Encryption method that no one knows.
