Thread: [vBulletin Ripped Skins](#)

Hamware - April 9, 2012, 2:28 pm

Hey guys,

Do any of you wonderful people, Know where to get really good premium ripped themes? I'm really In need.

Would appreciate It.

Botnet333 - April 9, 2012, 6:55 pm

yes bro contact me i will tell u .here my skype id : rockstar.bhatti

-Im.z2ight- - April 9, 2012, 10:58 pm

What skin? It would be easy if you told us what skin.

Hamware - April 10, 2012, 4:01 am

No like any skins, I'm not looking for a particular skin.

Rarity - April 10, 2012, 6:22 am

My site probably has some. Although i don't know if there's anyone of my members able to rip them. The vBulletin category is fairly new.

I'm guessing your forums, "ForumCore" I already know It.

Kaikz - April 10, 2012, 6:45 am

I know a site that has lots of premium skins for free, not sure if I'm allowed to post it though (warez), so PM me if you want it.
