Could help me learn something, thanks man. :)!

The Christmas Code - April 10, 2012, 10:38 pm

thanks for the source, will put to good use

xDISFIGURE - April 11, 2012, 4:33 am

Seems to be really good. You're new member. Continue to learn as much as possible and you'll grow up in programming scene.

UnknownValkyrie - April 11, 2012, 5:01 am

Looks nice man, im getting started in this kind of thing and this is awesome, nice work!

Jaatinen - April 11, 2012, 5:30 am

So does this program convert videos to music?

Onin42 - April 11, 2012, 6:33 am

I will try it now.

Thans for the Share mate.

Keep the good job!

(Apr 11, 2012 05:30 AM)nuubituubi50 Wrote: [\[CITE\]](#) So does this program convert videos to music? You can use this to convert images into different image formats, audio files into different audio formats, and video files into different video formats & audio formats.

So yes, if you wish, you can convert video files into audio files. However, there is a 100 MB file limit

iSynthesis - April 11, 2012, 9:43 am

Is this REAL converter or just extension renamer?

Nice job erwan! this is awesome, I will use this

adiiforu - April 11, 2012, 10:55 pm

You can actually make a great file converter without using online source.

If you try hard.

Ok i will tell you

use ffmpeg

Kenneth1007 - May 8, 2012, 6:42 pm

Imma Download It.

Thanks for sharing!

Dos-Projects - May 9, 2012, 12:01 am

Interesting...Thanks :) and + on the daft punk haha

pCoX - May 9, 2012, 12:43 am

Very nice program, very useful aswell!

Adolf Hipster - May 9, 2012, 2:04 am

So I can convert an .mp3 to an image?

Fucking clever!

smile.x0xd - September 28, 2013, 6:22 am

link is dead... please reupload if you like :D :)

CodeAssassin - September 28, 2013, 6:26 am

Real tip : Make better use of your UI space, its so blown up it looks like a child made it for grandma....

A smaller UI would make this simple project look a lot more appealing, also you should be crediting the service your application Relies on.. Without it you would have nada...

SaketSaket - September 28, 2013, 10:51 am

Link dead... Plz re-upload it ;) so we can learn something...

Allanitis - January 1, 2014, 3:58 am

Please re-upload if you want to. Pics look good. Nice job

Poizoom - January 4, 2014, 3:08 pm

Can you refresh links? It's broken :'(
