For \$1 you will get my money making eBook and another two from a different forum.

You send me \$1 as a gift and I sent you mediafire link to the 3 eBooks.

1 = 5\$ / 30 Minutes

2 = \$1500 / Month

3 = \$20 / Hour

By buying this, you agree to not chargeback the funds and to vouch on the thread after getting the eBooks.

Can I ask you a question quickly?

If with the second one, you can make \$1,500/mo, why are you selling it for \$1?
