Obli - April 13, 2012, 8:45 pm

What do you mean mate ?

I posted the tags in the poll so...

Thetechnopig - April 14, 2012, 5:28 am

Jamken gets my vote, Hulks might have if his render wasnt cutoff at the top

tomchez - April 14, 2012, 6:14 am

The Hulk gets my vote, even though the gun cuts off at the top, it still looks more professional.

ZanoGriefing - April 15, 2012, 3:30 pm

I vote for jamken100 I really like the effect he used around the pokemon ?

adampelletgun - June 23, 2012, 3:26 am

The Hulk's design wins my vote in this battle.

cipeon - June 23, 2012, 3:31 am

Jamken gets my vote, I think he captures the nature or feelings of the picture more.

Dingo_187 - June 24, 2012, 1:11 pm

Hulk design is better, he get my vote

Maxou56800 - July 14, 2012, 11:02 am

The Hulk's design is better. Saints Row Rox. :)

SIM-1332014 - July 15, 2012, 10:31 am

Both are awesome but still i voted for jamken100 :)

aloksaini - July 27, 2012, 11:46 am

Both are good...

but charlizard is a bit better

~zander - July 27, 2012, 3:57 pm

jamken's hands down. If you guys even have to think about it then you must not be that experienced in the 'tagging field.'

jamken100 - July 27, 2012, 9:41 pm

why are people still commenting on this qq

ImJackoh - July 28, 2012, 6:03 pm

Jamken100 is better because he did a pokemon :D

Ne?ro? - July 28, 2012, 8:33 pm

I like the Charizard one due to it having more details.

The Hulk's seems to simple for my liking.

But the charizard render is really sketchy, but that might just be the flames making it seem that way.

Hulk's is more refined.

crispin123 - July 28, 2012, 11:13 pm

Pokemon owns everything so jamken gets my vote :D

Skiplist - July 29, 2012, 12:00 am

Personally I don't like any of them but jakeman holds my vote.

TIP for next time guys if you want to listen at all. The renders look very out of place or it's the backgrounds got too much stuff goin on at the same time. :x

Dirty_Hunter - July 29, 2012, 5:37 am

i didnt really like both but jakeman is better in my opinion because he chose charizard

?\$†|€K95? - July 30, 2012, 11:51 am

Jamken gets my vote , charizard is the best

boomshawn - August 13, 2012, 4:13 am

i would have to vote for the hulk picture

Cr?ss - August 14, 2012, 5:33 am

Lol the second one is stunning and awesome and it flows and everything!

Rin™ - August 14, 2012, 9:41 am

I say jamken his looks like he put more work and time into it

iProdigy - August 14, 2012, 9:11 pm

I'm more into The Hulk 's. Although they are both very interesting, Hulk gets my vote.

xDISFIGURE - August 18, 2012, 6:50 pm

THE hulk gets my vote. Sweetand clean sign.

Knight? - August 18, 2012, 10:41 pm

This thread makes me want to kill myself. Jamken's is better hands down. People need to get more experience.

heresjaken - August 19, 2012, 7:46 am

Themano - September 6, 2012, 2:44 pm

jamken100 gets my vote, but he could work on the background.

1nfestor - September 8, 2012, 7:57 am

jam obviously wins this no sweat. both use smudging techniques but jam's is more advanced; it takes a lot of skill that way and actually requires specialist peripheral hardware. i.e a tablet

iViLLaiN - September 8, 2012, 10:50 pm

I really like the Charizard one it's sick!!!

wowhelp - September 9, 2012, 10:31 am

hulk does look better however the second one looks more realistic in the sense of being done artistically with pastel and stuff and because of that reason, I'll have to go with the second.

KING - September 9, 2012, 4:23 pm

Really tough to say both are really good and difficult to make(to me at least)

-Lebron - September 29, 2012, 8:40 pm

I like both I would have to say that it is a tie

Oscura - October 1, 2012, 9:27 am

My vote goes to Jamken, ofcourse the hulk made the Saints Row-guy really great, but i'm more amazed by Jamken's.

Regards!

JBAE - October 1, 2012, 7:58 pm

Jamken has my vote, was executed nicely.

prada ? - October 11, 2012, 8:45 am

Love the Hulks design. Got my vote.

a deeper b1ue - October 11, 2012, 10:34 am

I dont understand why anyone would vote for 1. it really bad, and probably took no longer than 10 minutes to make.

Icy™ - October 11, 2012, 10:51 am

Jamgen looks better than hulk :) Nice Charizard

7zS2 - October 12, 2012, 11:19 am

Pokémon ftw haha :) Both were good, I just liked the effects behind Charizard :P

Lemur - October 12, 2012, 5:55 pm

I personally liked the 2nd one better!

Malekyth - October 13, 2012, 5:33 am

Jemken.

Why?

It looks professional
Saints row only has purple clouds and a render..

Magnitudinem - *October 21, 2012, 8:06 am*

Without a doubt jamken100 (the second one).

Mudslinger - *October 22, 2012, 11:27 am*

I think the hulks lost because it was cut off at the top. I didn't like the way it came out.

Sir Asylum - *October 22, 2012, 4:45 pm*

I have voted for The Hulk. I love that design. Its very sexy

J???? - *October 22, 2012, 8:34 pm*

Just because I like Saints Row and I believe it is a more clear and crisp job, I'm going with that.

Coder-In-Train1ng - *October 24, 2012, 7:54 pm*

jamken100, fucking hell yea :D POKEMON!

Pain And Gain - *October 31, 2012, 6:36 pm*

The Hulk get's my vote, really liking that work.

Chukozy - *November 1, 2012, 2:31 pm*

Unique, very nice both of them. I liked both

ChaosX. - *November 2, 2012, 8:52 am*

The Hulk gets my vote, both are good first i selected jamken100's one then Hulk's one :D

Elegant - *November 2, 2012, 7:06 pm*

I voted for jamken100 looks the best.

Malekyth - *November 3, 2012, 4:55 am*

How can people choose the Hulks?

Its just a purple cloud and a render with sparks

really this is the true ,on the other hand that charmander looks pretty difficult and i can only name a few of changes

zetta - *November 3, 2012, 4:06 pm*

I voted jamken100, because I like the art, and the fact that it looks like a painting, and it has a lot of different colors instead of purple only.

Anchor - *December 15, 2012, 12:37 pm*

i personally like the charzard more but i ma be biased casue its pokemon

Jet??? - *December 15, 2012, 9:10 pm*

I voted Jamken. The first one doesn't seem like much effort was put into it.

LAzYxXxNINJA - *December 16, 2012, 1:26 am*

The hulks is alot more smoother and nicer texture background but the cut off wrecks it Hulk gets my vote..

Tweteh - *December 16, 2012, 5:42 am*

I like jamken100 picture more.

I guess it's cause I'm not much of a "gun person".

Jokinha - December 17, 2012, 5:11 pm

Booth are amazing! But my favorite its the Charizard. The sign is amazing and Charizard was my favorite pokemon :p

Poseidon - December 30, 2012, 5:41 pm

How the hell does the first one get so many votes

GrandaddyCrunk - December 30, 2012, 8:04 pm

juzeGOML - January 10, 2013, 1:39 pm

Ussy - January 11, 2013, 9:52 am

KrazyGaming - January 27, 2013, 1:10 pm

2 wins of course the first one is terrible imo

Versxce - January 28, 2013, 7:45 pm

The Hulk gets my vote. Even though the top of the render is cut off, it still looks more professional.

Makarena™ - January 31, 2013, 6:49 am

Hulk gets my vote jeje man i waiting you winn

FaiLuReSx - January 31, 2013, 8:39 am

Jamken is beetter in my opinion, why?, he took the nature of the Pokémon.

Maaaaad - January 31, 2013, 11:28 am

Is that guy from Saints Row The Third? he kinda looks like one of thoose gang members! Else good job on both but i prefer the first one!

Fireworks - January 31, 2013, 5:13 pm

I don't like either of them, but if I had to vote It'd be the second because of the smudging techniques used, even though its really dirty.

CasHM - February 7, 2013, 1:52 pm

New member I can't vote, but Jamken gets my vote.

Looks very artistic I like the look of the brushes they add a great effect.

Hulk has the render issue which bugs me, never the less both great pieces of art!

Good Work ?

x2SiKJaYzZ - February 7, 2013, 1:54 pm

I vote for the hulk it catches my eye the most but there both good

B????? - February 7, 2013, 3:22 pm

Zer[o] - March 2, 2013, 11:03 pm

Both of these are really great. No vote from me :D

Golduck - March 3, 2013, 11:47 pm

Jamken's has much more flow and detail then just a monotone purple like Hulk's.

Clave - March 21, 2013, 12:21 pm

The Hulk!

Just because I like SaintsRow: TheThird

Erwin Schrödinger - March 25, 2013, 12:05 pm
