Thread: [\[DEFACE\] First deface \[DEFACE\]](#)

One Love - April 15, 2012, 4:08 pm

Credits to Punkerschick for finding the site.

Not really that great more funny :D.

Lol this was kinda funny. I had my speakers kind of loud and the music scared the crap out of me ha

Dik_In_D_Ai - April 15, 2012, 8:50 pm

badasssss way to hit a gov site

i lie how u hit the gamigng board as well good choice

Dlk_In_D_Ai

SuaveSalmon - April 15, 2012, 8:51 pm

Nice man you hit a .gov site! Great job bro!

Thanks man, means a lot coming from someone like you :).

TopHatRen - April 16, 2012, 3:27 am

Very nice I love seeing OG deface pages there was no Anon on it and I like to see that someone is doing OG stuff good job.

imAnoobLOL - April 16, 2012, 3:28 am

Nice man you hit a .gov site! Great job bro!

ducktopez - April 16, 2012, 5:38 am

That's beatiful stuff and congratulations on hitting a .gov site! I really liked the style not any boring shit like you usually see nowadays. :)

Furtif971 - April 16, 2012, 1:53 pm

UMAD BRO?UMAD BRO?UMAD BRO?

XD Really good job!

One Love - April 16, 2012, 4:52 pm

That wasn't mine someone changed it.

GodOfHacker - April 17, 2012, 7:50 am

Is the site is defaced ? or you want to deface it?

One Love - April 17, 2012, 8:53 am

It was defaced, they took it down..

robinatorz - April 17, 2012, 10:13 am

Lol, You can easily deface this i guess:

Admin:

<http://www.ngcb.gov.pg/admin/index.php>

user: admin

pass: admin

Congratulations! You can read a thread.

Spencerpootis - May 14, 2012, 11:17 am

Really nice deface. What's up with being badass if you hit a .gov site?

DsntExist - May 14, 2012, 3:19 pm

Damn this inspired me!

Props for your first defacement bro!

skro0o0o - May 14, 2012, 6:51 pm

[/color] Im new to this message board just wanted to know if anyone can help me with SQL injection?I am well advanced when it comes to MySQL injections and MsSQL Im still reading up on. If anyone has rooted a server by using the INTO outfile() injection, I would love to talk. peace[/size]
