Well the Deal was "Trademark" for his MW3 acc

We talked for days to build trust so I went first thinking he was legit.

Here's all the aim logs and pm proof :

He sent me a pm : <https://imgur.com/W2KQ6>

He then told me his aim showing all the aim logs now

You can see it was for this account <https://hackforums.net/showthread.php?tid=2388450> and after he scammed me he closed it and has been offline since and blocked me on aim can't anyone fucken do something about this?

Way more to come but I send him the info for Trademark and secures it and then he sent me the fake info for the COG Captain account and the email doesn't even exist. He then made an excuse and said hes going then he blocked me.

Bluffer - April 15, 2012, 9:31 pm

Okay, OP. I believe you now. But you should have waited to post proof the first time.

Lil Wayne Weezy - April 16, 2012, 6:57 am

Thanks yeah I hate scammers,

No one deal with Pro

Renzax - April 16, 2012, 9:35 am

I have made legit trades with him before. Seems weird that he scammed

Lil Wayne Weezy - April 16, 2012, 9:42 am

Yeah he seemed trusted I trusted him and he does this man it's dumb bro why he have to do this

Killabd - April 16, 2012, 1:05 pm

I,ve been scammed out of tag's many of time's I hope you resolve it good luck.

Cirez D - April 16, 2012, 4:51 pm

It's like people build their rep on here purposely to scam... it's sad.

hopefully you get your tag back.

Lil Wayne Weezy - April 17, 2012, 12:54 pm

I doubt it I hate scammers so much they just build up rep to scam

Flashy. - April 17, 2012, 1:23 pm

This seems legit, hope this gets dealt with.

Brod † - April 17, 2012, 1:23 pm

It's true. User scammed me aswell and then -3'd me. He's really ugly too by the way.

NieR - April 17, 2012, 2:17 pm

IMO, I always seen that member as a scammer. Pro always asks for rep via aim (he asked me not too long ago) and he reminds me of another user I not so like as well.

Lil Wayne Weezy - April 18, 2012, 1:07 pm

Thanks Anarchy let's expose HF scammers it's a shame people vouch for scammers and Pro asks for rep.

Lil Wayne Weezy - April 21, 2012, 4:24 am

Everyone look at this scam report on Pro

Wook - April 24, 2012, 8:55 pm

Same thing happened to me he scammed me as well and neg rep'd me -3 (which i should get back up to 0) here is an aim log. <http://pastebin.com/mNwqeEK9>

Im not sure if you guys can see that but thats the aim log

Also if anyone can help me out to get back even with my rep since pro screwed me over just cause he scammed me. That would be very helpful. unless there is a way to remove it.

Lil Wayne Weezy - April 26, 2012, 12:44 pm

Wow Pro is a dick

Karma is a bitch

And shiforums no one cares they stand up for scammers

Sir - April 26, 2012, 12:51 pm

Rule #1: If you're making a transaction "ALWAYS DO IT ONSITE."

If someone is making a deal with you and they try to continue doing business off the site, say no. Simple as that.

That's a slap to the face. Some of us do care, but, some are only gonna help out the upgraded member. I hate scammers and will defend anyone non-upgraded or upgraded. But, if you're gonna say things like that, maybe you should just log-out.

Lil Wayne Weezy - April 27, 2012, 9:15 am
