looks fine to me...

Edit: Oh you mean the [censored]. Never use them.

Great job OP.

ShaRp HaCker - April 18, 2012, 1:55 pm

lol i naver uplod pic just show this for stop hacking pakistani site..

Sir, your picture was deleted by [censored]:

The Plague Doctor - June 10, 2013, 11:10 pm

Hovering over the removed image gives your email at the bottom lol...

Gee4rce - June 11, 2013, 3:28 am

OP, this is just a f*cking ticket booking community, nothing special or worth defacing...

rfpd - June 11, 2013, 12:23 pm

You know you can make money with this, instead of noobfacing just plant some ads there dickhead.

Coded Indisoul - June 11, 2013, 1:02 pm

Lol i don't give a fuck to such sites if got guts then hack some real stuff !

OGxKushKing - June 11, 2013, 1:09 pm

Buys a domain and uploads a skid deface page pretends to be 1337 SQLi hax0r
