Thread: [any cosplayers here?](#)

Sparkfear - April 20, 2012, 6:47 am

Hey,

I hope this is the right section but I was wondering, are there any (anime related) cosplayers active on HF or even this section? Myself and my gf went already to 1 cosplay con(well she 2 because I couldn't make it to 1) and it was really fun and I was hoping to maybe meet more people who have the same interests.

Hope to hear from you guys soon (:

I'm a cosplayer, I went to otakuthon last year and I'm planning on going this year too disguised as Itachi

Ah cool a French cosplayer, I'm dutch myself and only been to yaycon, which was my first. I'm currently waiting for my Otonashi Yuzuru cosplay to arrive.

Looking to do a Kaiji cosplay for Manifest this year.

I want to cosplay more but I'm kinda busy. I've cosplayed once before as Iruka sensei to a cosplay themed birthday party. lol It was fun and I plan on cosplaying at anime cons in the near future. XD

I went to Tsunacon, since I skipped yaycon due to a shortage of money. Already got my Abunai! Ticket though for 3 days + hotel room.
Now to wait for my Okazaki Tomoya/Sunohara Youhei cosplay.

Well, my parents payed for me XD.

BTW my cosplay has not been ordered yet as my parents and me have some "disagreement" regarding cosplay prices.
