Thread: [p0w3r?](#)

redpois0n - April 21, 2012, 1:35 am

I heard someone talkin' about HF p0w3r, can someone explain it to me?

I also heard someone write "imagine a p0w3r gangrep"

etcetc

Can someone tell me or hint me about what p0w3r will be?

Thanks!?

p0w3rs is basically a level higher then ub3r and it will have more promising features and areas that only p0w3rs can access

I shall inform you to use the search function in order to get your answer.

How can it be a level higher than ub3r if everyone is able to buy it?

Well, will ub3r be higher than p0w3r or p0w3r higher than ub3r?

Eeluminati - April 21, 2012, 1:39 am

There have been threads about it all over HF. Use the search tool please.

Pow3r is basically an addon to ub3r and l33t. It just extends their current features.

It's an add-on.

Everyone can get it, but the features vary depending if your l33t/ub3r/normal.

Like normal members only get PM space, l33ts get +3, 0 and PM space, ub3rs get -5,+5 and PM space etc.

Guest --> Regular --> Regular + P0W3R --> L33T --> L33T + P0W3R --> Ub3r ---> UB3R + P0W3R

Perfect example(besides the Flood times, he got it wrong):

Yeah, that would suck.

FYI it is probably only with LR.

Where did you hear that? I didn't hear anything like it. And I have lots of LR at the moment to buy p0w3r with ?
