Well, looks like another ripper down the drain. He was cool but ripping and lying to GM wasn't smart... bye bye

National Anthem - April 21, 2012, 7:54 pm

If he can't prove that's him, than nice find I guess.

He is in the Graphic Masters to, wow lol.

even if it turns out, that that is his tag. He made a tagwall for it in 2011, and said in the gm section that he just made it.

TheDoctor - April 21, 2012, 10:25 pm

Nice find DeMeR, and he was telling me why he should be in GM over me.

Why would he rip when he was already under investigation O.o

~zander - April 21, 2012, 10:43 pm

I feel like an idiot for falling for it.

Eeluminati - April 21, 2012, 10:59 pm

Its okay you have 420 rep now.

Nifty, remember when you said that tag under it, the blue and yellow one wasn't yours and you didn't know?

Its kinda funny that the one you ripped, looks like its on the same tag wall. I could be seeing things though.
