Pretty Simple You Re-upload it anywhere else without written permission from me, then it goes
away and i won't make anymore collections. So don't ruin it for everyone!

Have Fun!

I will not be held responsible for any action made using these images.

Guaranteed To be clean!

I couldn't scan on no virus thanks way to big! Feel Free To Scan Anywhere and post results here.
I got one or two detections but they were removed! If you get infected REMOVE IT IMMEDIATELY
AND REPORT IT DIRECTLY TO ME. I am not a hacker just a GFX Master.

Did You Like This ?

If you did i think someone should get something that starts with R and ends with P.

BUMPITY BUMP BUMP

Glad you guys like it!

What do you all want next?

Like what kind of icon set ?

Incomplete - January 22, 2010, 7:19 pm

Links don't work for me.

The links work, they are to my VPS, so they should work!

The download will start automatically.
